Room Furniture Being Used

e has come to the Lane chapter of the American ross that the furniture sup- for day rooms at Camp is being sent elsewhere to ed by men in the service, and ood care is being provided rnishings.

ecently through two special furnished some 75 rooms ers at Camp Adair. Divisions in camp there have been trans- but officials have sent out regarding the day room ave.

Charles H. Greenwood, man of the valley coast ser- council, has sent the follow- letter to Mrs. C. A. Hunting- who has been serving as man of the hospital and camp ance from the Red Cross here:

e no doubt have been won- about the furnishings which organization so generously ributed to the army for the ms at Camp Adair. This is rt to you.

re is still a critical need in material and we are hap- tell you that it will continue of service to the enlisted There is no question of its allowed to gather dust and ate in deserted rooms. has never been any basis to ory that it is to be dis- of. It is as much needed it was when you worked ed to put it in and will be ared for continued use of e. This is being handled by the special services officers of the army. I am sure you will feel deeply gratified that the efforts and, at times, sacrifices which you made will continue to give comfort and supply the need of our fighting men.

"The field director of the Red Cross has advised me that he has received innumerable expressions of gratitude from those organizations which have used your furnishings and he wants me to pass along to you the thanks of the military and of himself for the great work you have done."

STAFFORD ITEMS

STAFFORD — Mrs. Marvin Spores entertained with a dinner recently at her home honoring Mrs. Josie Spores of Corning, Calif., mother of Mr. Spores, for her birthday.

Claude Hammitt of Turlock, Calif., who lived in the valley 20 years ago, has been visiting in the valley.

M. R. Berry has returned home to El Monte, Calif., where he is in business. Mrs. Berry will return home Thursday after visiting at the home of her parents, Mr. and Mrs. Bert Edgell.

Mrs. Robert Neale of Portland, a former resident of the valley, has met with a severe auto accident in Portland. Mrs. Dan Spores has left for Portland to see her niece.

Iceland is called the oldest democracy in the world, since its parliament, the Althing, is older even than the British "Mother of Parliaments."

Grand Coulee dam contains enough concrete to provide a 36½ pound cement souvenir for every resident of the United States.

Jeanne Cagney Skit Lights Navy Radio Program 'For Girls'

Jeanne Cagney, of the famous Cagney family, lends her comedy talents to a skit about a Wave and a sailor in the sixth of a series of 15-minute transcribed Waves recruiting radio programs, "Something for the Girls," to be heard on station KORE at 2:15 p.m. this Sunday.

The show also features Jim Ameche, Henry Cool, who sings "Swinging on a Star;" and Ray Block's orchestra and chorus which combine for an unusual version of "Begin the Beguine."

Kiwanis Opens—
