Without Painful Backache
 Many sufferers relieve nagging backache
 quickly, cure they discover that the real
 cause of their trouble may be tired kidneys.
 The kidneys are Nature's chief way of tak-
 ing the excess acids and waste out of the
 blood. They help most people pass about 3
 quarts a day.
 When disorder of kidney function permits
 poisonous matter to remain in your blood, it
 may cause nagging backache, rheumatic pains,
 dizziness, loss of pep and energy, swelling
 under the eyes, puffiness under the eyes,
 and other ailments. Frequent or scanty
 urination with astringent and burning
 sensation shows there is something wrong with
 your kidneys or bladder.
 Don't wait! Ask your druggist for Deane's
 Kidney Pills, used successfully by millions for over
 25 years. They give happy relief and will help
