New York Markets

By VICTOR E. BARKER
NEW YORK, Dec. 1.—(AP)—The stock
market today got off to an indefinite
start on the new month and, while buy-
ing took on moderate amounts of specu-
lation, including sugars, many leaders
failed to receive the necessary support.
Again, it was the case of purchasing
being based mainly on dividends, earn-
ings and individual situations. Trans-
fers were around 300,000 shares.
Up fractions to about 3 points at 1944
tops were U. S. Realty, United Corp.
Preferred, American Sugar and Electric
Power & Light preferreds. In front
most of the day were Cuban-American
Sugar, Manati Sugar, South Porto Rico
Sugar, American Telephone, Northern
Pacific, Montgomery Ward, Western
Union "A" and Du Pont. Lagging were
U. S. Steel, Chrysler, General Motors,
United Aircraft, U. S. Rubber, Santa
Fe, Eastman Kodak, General Electric
and Westinghouse.

Warfront Is Close To Date At Home

family home for a while.
The following Wednesday he
arrived for a date.
"I would have been here Tues-
day," he told marvelling town-
folk, "if I hadn't been delayed in
New York."
