YES NO
 Poor Digestion?
 Headachy?
 Sour or Upset?
 Red-Listless?

If you feel headachy and upset due to
 indigestion, you need a natural
 remedy. Nature must produce about
 1000 cubic feet of vital digestive juice
 to digest your food. If Nature fails,
 your food may remain indigested—
 causing you headachy and irritable.
 Therefore, you must increase the flow
 of this digestive juice. Carter's Little
 Liver Pills increase this flow quickly—
 in as little as 30 minutes. And,
 on the road to feeling better,
 don't depend on artificial aids to
 correct indigestion—when Carter's
 Little Liver Pills aid digestion after Nat-
 ure's own order. Take Carter's Little
 Liver Pills as directed. Get them at any
 drug store. Only 10¢ and 25¢.
