the McDonald:
DANGEROUS JOURNEY
THE GREAT MOMENT

If we rated the current attrac-ns at the Mac as "educational," u probably immediately would k they were the type of pro- shown in grammar schools explain the way a plant grows, how to tell a salmon from a ale.

As a matter of fact, the two of-ings are as positive proof of old "truth is stranger than fic-" adage as we've seen in some

"Dangerous Journey" is sort of travelogue—the kind we usually k out on—but this one's dif-ent. Probably because the nar-ion is terse instead of being e and verbose. The incidents interesting with the final nes, showing snake worship in orient, holding the audience a tense state until the end.

Preston Sturges tries some-ing different in "The Great Mo-ent," and comes through with entertaining film telling the ry of Dr. W. T. G. Morton of ston who a century ago discov-d anaesthesia. In a sense it is biographical picture with the s and downs of the adventurer ssed rather than the part of life which was routine. Nev-theless, the offering holds in-est, which is more than many rrent cinemas can do.

Joel McCrea, Betty Field, Har-Carey and William Demarest l the story well.

Excellent double bill.

Stalin Celebrates 65th Birthday Today

MOSCOW, Dec. 21—(AP)—Joseph Vissarionovich Djugashvili, better known to the world as Premier Joseph Stalin, celebrated his 65th birthday today with a complete absence of official fanfare.

Although the soviet union took no formal notice of the occasion, telegrams from all over the nation, as well as from many of the world's capitals, poured into the Kremlin.

Neither press nor radio made any mention of the occasion, but —like Washington's birthday in the United States—the date is known to every Russian.

In Switzerland, cheese is often made from goat's milk and cured in caves.

New York Markets

By VICTOR EUBANK

NEW YORK, Dec. 21—(AP)—Selected stock market favorites climbed back on the recovery van today although leaders generally were unable to work up rising stimulation.

Prices stiffened here and there after a spotty opening but volume was lacking and trends soon wavered. Losses of fractions to a point or more were widespread near the close. Transfers ran to around 900,000 shares.

Gruman Aircraft and Texas & Pacific Railway were isolate datrong movers at new 1944 highs. Ahead most of the time were Douglas Aircraft, Graham-Paige, Montgomery Ward, Woolworth and Great Northern. Among laggards were Santa Fe, Southern Pacific, Pennsylvania, Bethlehem, Goodyear, Westinghouse, American Telephone, Allied Chemical and Philip Morse.

Bonds were a bit shaky.

Golfers Gather For Los Angeles Open

LOS ANGELES, Dec. 21.—(U.P.)—Top-ranking golf stars began pouring Tuesday for the Los Angeles open tourney, swinging south from the Richmond open which saw Slamming Sammy Snead triumph over Byron Nelson, Jug McSpaden, Craig Wood, Denny Shute and others.

The golfers are now on the fifth rung of a nationwide tournament ladder with the ex-navy man Snead on top so far with two out of four tournaments under his belt. Slamming Sammy played no golf for 26 months while in the service but copped the Portland open in his first tournament play.
