Doctor Said Sell
Triangle Lake Resort, situated 1/2 way from Eugene in the Willamette Valley and Florence, Ore., on Pacific coast, on highway 36, Triangle Lake is a deep lake with excellent trout, bass, perch, blue gills and cut-fishing, opened for fishing all year, except trout. Excellent hunting. Less than 40 mi. for Salmon steel heads, and other sea fishing.

The lake frontage of this establishment is about 2,000 ft. Approximately 10 acres in all, laid out in lots. This resort has been established since 1924 and has had a profitable business, both local and transient. Owner bought a year ago and has remodeled but must sell due to illness. Today you are doing a large restaurant business. This business could be tripled easily. The Oregon Motor Stages make this their rest period stop between Florence and Eugene. We have started to remodel the cabins and build a hotel, due to the shortage of building materials, we are temporarily handicapped. Great opportunities for expansion, such as boat hangars, boats for hire, swimming and locker concessions, picnic grounds and a number of choice building lots situated on hill overlooking resort and lake. Half cash, balance terms. N. J. McHugh, Triangle Lake Resort, Blachly, Ore.
