Strategic Italian Peak Recaptured

ROME, Feb. 21—(AP)—American troops striking over Italian mountain terrain so forbidding that at times they used ropes to scramble up the steep slopes, have captured Monte Belvedere and several villages on the peaks west of the Pistoia-Bologna highway.

The Germans fought back viciously, but all counterattacks were repulsed and the fighting for the dominant heights continues, an allied communique said today.

Once before allied troops had held the commanding, 3,500-foot peak of Monte Belvedere, but the nazis recaptured it last Nov. 29 and had held it since.

Patrols continued to be very active on the rest of the Italian front, with no changes of position reported. The Germans still were peppering allied positions with propaganda leaflets.

There was a box supper after Tuesday night's meeting. The program included quotations from Washington and Lincoln.

Jail Ordered In Circus Fire

HARTFORD, Conn., Feb. 21—(AP)—Superior Judge William J. Shea today imposed prison sentences on three officials of the Ringling brothers and Barnum and Bailey circus and sent three other circus men to jail, all for involuntary manslaughter in connection with the circus fire here last July which claimed 168 lives.

Those sentenced were George W. Smith, 51, general manager and Leonard S. Aylesworth, 42, chief tent man, two to seven years in state prison.

James A. Haley, 46 year old vice-president and director, one to five years in state prison.

Edward R. Versteeg, 44, chief electrician, and William Caley, 35, chief seatman, one year in the county jail. They are all from Sarasota, Fla.

David W. Blanchfield, 57, chief truckman, Hartford, six months in jail.

At the same time Judge Shea fined the Ringling brothers, Barnum and Bailey Combined Shows, Inc., the official name of the concern, $10,000.

All of the defendants and the corporation itself had pleaded no contest to involuntary manslaughter and before passing sentence Judge Shea remarked that this was "equivalent to a plea of guilty."

Plywood Election Set

The national labor relations board has set March 7 as the date for a hearing in Eugene to consider an election among employes of the Springfield Plywood company following the petition of the Willamette Valley district council of Lumber and Sawmill Workers union (AFL) for bargaining rights with the company.

The company's employes are now represented by the Plywood and Veneer Workers local 9-233, affiliated with the Plywood, Box, Shook and Door council, district No. 9 (CIO). The hearing was originally scheduled for Feb. 10 but was postponed because of the NLRB's failure to notify all interested parties.

From black coal tar are obtained over 8,000 kinds of dyes, many of bright color.

Dr. Warren D. Smith, professor of geology and head of the department of geography at the University of Oregon, will discuss the Philippine islands before members of the Active club at their noon luncheon in the Eugene hotel Thursday.

Smith, who was chief of the bureau of mines at Manila, P. I., from 1907 to 1914 and again in 1920 and '22, will attempt to clarify questions brought up by current world events.

He is the author of numerous scientific papers and press articles and of the book "Geology and Mineral Resources of the Philippine Islands."

Rations On Canning Sugar To Be Cut

WASHINGTON, Feb. 21—(U.P.)—Rations of sugar for home canning this year will be smaller and will be harder to get, the office of price administration revealed today.

Under a drastically curtailed rationing program, 20 pounds will be the limit of the canning allowance for one person. Any one family will be held to 160 pounds of canning sugar.

No ration stamps will be validated for canning sugar. Accordingly, you can not take stamps to the grocer and obtain canning sugar, as in former years. Instead, stamp No. 13 is to be affixed to an application to the ration board, this for identification purposes only.

All allotments will be made directly by local ration boards. Rations will be determined according to an OPA scale of estimates, with a limit of one pound of sugar for each four quarts of fruit or fruit juices.

Hyde In Flax Post

Clarence D. Hyde, Eugene realtor, has been elected secretary-treasurer of the Willamette Valley Flax Growers association, according to an Associated Press dispatch from Salem.

New officers were elected at an association meeting in Salem Tuesday. R. R. Mitchell, St. Paul, became vice-chairman and Glen Ritchey, Forest Grove, was elected chairman.

Union Agreement

The first two-weeks-vacation-with-pay agreement to be signed with any group in the lumber industry was made in Eugene Wednesday between the Willamette Valley district council, Lumber and Sawmill Workers (AFL and the Willamette Valley Operators association, C. P. Richards, union secretary, announced Wednesday.

This agreement was reached through negotiations and without assistance of governmental aids, Richards said.

AFTERMATH

New York Markets

By BERNARD S. O'HARA

NEW YORK, Feb. 21.—(AP)—The stock market was jolted today by selling flurries attributed to federal reserve board chairman Eccle's proposal for increased taxes on wartime speculative profits in equity securities and real estate.

At the peak of the selling many industrial and rail leaders were down 1 to more than 2 points but near the close the list received better support and losses were reduced. Volume was about 1,700,000 shares.

Another late development was a demand for gold and copper shares which Wall Streeters watched with confused ideas as to inflationary and deflationary implications of Washington aims for tightening the wartime economy.

Still in arrears but showing a considerable recovery from the bottoms near the finish were Chrysler, U. S. Steel, Bethlehem, Santa Fe, Southern Pacific and Northern Pacific. General Motors, Goodyear, Sears Roebuck, Harvester, Westinghouse, Douglas Aircraft, and, Great Northern remained heavy. Axis Sees Allied Landing In China

LONDON, Feb. 21.—(U.P.)—Axis broadcasts said today that an army of 30,000 American troops and 90 Chinese divisions has been massed in southwestern China to support an American landing on the east coast of China.

The German Transocean news agency, quoting dispatches from Tokyo, said the allied expeditionary force awaited a signal to start an overland offensive in coordination with the amphibious assault on the coast.

The Chinese were said to be concentrated in Yunnan province, including troops transferred from the Burma front.

The location of the reported American army was not specified, but Transocean said the Yanks were equipped with tanks and heavy artillery.

Alvadore Man Held On Charge of Death Threat

Carl Rowe, 40, of Alvadore was bound over to the grand jury in the local justice court Wednesday on a charge of threatening to commit a felony. He waived preliminary hearing and Justice Brownell fixed his bail at $1500.

The information, signed by Fred Mailloux, police officer at Junction City, charged the defendant with threatening his wife, Jean, by allegedly saying to her "I've told you the only way you'll leave me is in death, and if you don't drop this case, this is it."

In some states it is a crime to attempt to commit suicide.
