Latham Club Meets

LATHAM—The Latham School club held its second meeting at the schoolhouse the past week. A plan for the order of conducting meetings and presenting business for the future was presented by the chairman, Mrs. Fred Harris, and was accepted. A report was given by the members of the committee that it is to plan for the production and canning produce for use in the school lunch room next year. Means for raising money needed to cover costs of canning produce and buying some fruits for canning, were discussed. The fairest way to distribute these expenses among all who will benefit from the project seemed to be to levy an extra fee per child.

A motion was made that a flat fee of \$1 a month per child be charged for lunch from now on instead of the present five cents per meal basis. This will simplify bookkeeping and will make no appreciable difference in the monthly income for lunches. The club voted to buy and install a telephone in the lunch room. Mrs. Chapman was appointed to see if one was available, and if so, to have it installed. The question of club membership fees was discussed. A motion was made that a committee be appointed to write up a constitution and by-laws for the club and that the membership fee be stated therein. Mr. Lamb, Mrs. Merle Porter and Mrs. E. A. Boswell were appointed to present for approval at the next meeting a constitution and by-laws.

A committee was appointed to make plans for some social and recreational activities for the club and to provide for some entertainment following the next business meeting. Mrs. M. C. Overgaard, Mr. Rose and Mr. Chapman were appointed. The next regular meeting will be held April 5 at 8 p.m.

GRANGE MEETS

ELMIRA—Elmira grange met last week. The following committees made reports: Agricultural, by Frank Deedon; legislative committee, and home economics. The latter group asked grange women to make cookies for the USO.

Frank Deedon gave a report received from Oregon State college on proper heating and the finishing of the room to be heated the most economically. The Red Cross chairman read a letter from the American Red Cross, Lane county chapter, in regard to the Elmira grange operating a Red Cross first aid highway station. On investigation, it was found practically all who hold first aid cards live two miles or more from Elmira, so the first step will be to organize a first aid class and call for interested ones to take the course. Mrs. F. Ivan Parke is an instructor.

The Boy Scout committee reported scouts are active and are making plans for the Court of Honor to be held some time in March. There are 28 scouts and several more prospects. Carl Edmiston is assistant scout leader for Elmira. The boys have received their bugles and are being trained by Mr. Martin.

Report was made on sales slips and all grangers who purchase from feed stores or grocery stores, gas stations, lumber companies, or anyone who advertises in the Oregon grange bulletin or national grange bulletin are asked to save sales slips and turn in the slips or accounts to the sales slip chairman of the grange.

The grange held a dime drill for the Red Cross. A report was given on the Blue Cross.
