

R. L. Bales Named Scout Executive

Roger L. Bales was selected Monday as the new scout executive of the Oregon Trail council, Boy Scouts of America. Announcement of the new executive staff head was made by J. R. Bruckart, president of the Oregon Trail council. The council serves six counties in western Oregon—Benton, Coos, Curry, Douglas, Lane and Lincoln. Bales is now scout executive of the Evergreen-area council at Everett, Wash., and will take his new position here about April 1, Bruckart said. Bales has received the rank of Eagle scout, highest award in scouting, and is a veteran of 20 years of scouting service. Before going to Everett he was the assistant scout executive of the Berkeley-Contra Costa council at Berkeley, Calif. Bales is taking the place of K. A. Wells who was scout executive here until March 1 when he became assistant national director of the camping service with headquarters in the national office in New York.

Why Prayers Alone Did Not Stop Hitler

Millions of people daily practice meditation, prayer, new thought and other spiritual exercises. For many years, people of good will have been praying for the overthrow of Hitler, Hirohito and what they stand for. Why has the answer been so long delayed? Why do so many other prayers remain unanswered? Why does calamity often befall us in spite of our prayers? Thirty years ago, in Forbidden Tibet, behind the highest mountains in the world, a young Englishman named Edwin J. Dingle found the answers to these questions. A great mystic opened his eyes. A great change came over him. He realized the strange Power that Knowledge gives. That Power, he says, can transform the life of anyone. Questions, whatever they are, can be answered. The problems of health, death, poverty and wrong, can be solved. In his own case, he was brought back to splendid health. He acquired wealth, too, as well as world-wide professional recognition. Thirty years ago, he was sick as a man could be and live. Once his coffin was bought. Years of almost continuous tropical fevers, broken bones, near blind-

ness, privation and danger had made a human wreck of him physically and mentally. He was about to be sent back to England to die, when a strange message came—"They are waiting for you in Tibet." He wants to tell the whole world what he learned there under the guidance of the greatest mystic he ever encountered during his 21 years in the Far East. He wants everyone to experience the greatest health and the Power, which there came to him. Within 10 years, he was able to retire to this country with a fortune. He had been honored by fellowships in the World's leading geographical societies, for his work as a geographer. And today, 30 years later, he is still so athletic, capable of so much work, so young in appearance, it is hard to believe he has lived so long. As a first step in their progress toward the Power that Knowledge gives, Mr. Dingle wants to send to readers of this notice a 9,000-word treatise. It is free. For your free copy, send your name and address to the Institute of Mental Physics, 213 South Hobart Blvd., Dept. R-190, Los Angeles, 4, Calif. Write promptly.

Eugene And—

(CONTINUED FROM PAGE 1) ing off part of the area close to Eugene and merging it with Eugene to reduce the overcrowding in the Bailey Hill school. This change could be made by the boundary board without an election. Changes Deferred. Legally and technically the consolidation of Eugene and the six other districts is now in effect. For practical purposes, however, it is planned that the educational programs in the outside district schools will continue virtually unchanged for the balance of the school year. Any other changes which might be made will be discussed at the Wednesday night meeting of school boards. It has been estimated that the consolidation program will result in a tax rate of about 15 mills, and other guesses put it as high as 20 mills. Rates, however, will vary in the various districts until differences in the value of plants they contribute, as well as other factors, have been adjusted.

SPRINGFIELD

Council Hears How Springfield Was Named

SPRINGFIELD—Herbert E. Walker, Springfield, presented the city with a picture of his father, Albert S. Walker, the first mayor of Springfield, at Monday night's council meeting. Walker told the councilmen that the town was named for a spring which still flows behind the home of Postmaster Harry Stewart and he proposed building a monument there. Springfield was incorporated as a town 60 years ago last February, Walker said. An ordinance regarding the type of mail boxes Springfield residents will be required to set up was read by City Attorney Donald Husband. The council voted to refer the ordinance to postal authorities for approval. The McKenzie Oil company was given a contract to supply the city with a year's supply of gasoline. Robert Perrie of Springfield had low bid of \$1,800 on the Willamette Heights sewer and was awarded the contract; and Pacific Telephone and Telegraph was given permission to install a public telephone in the city hall. The request of the Shumway Metal Works for a street light at Sixth and A streets was granted by the councilmen. Appointment of a new member to take the place of Councilman Frank E. Nye, resigned, is expected to be forthcoming soon.

HERE FROM MICHIGAN

SPRINGFIELD—Owen W. Warner, Big Rapids, Mich., has been visiting at the home of his sister, Mrs. Thomas J. Allen, at Green Ridge ranch. They had not seen each other for 40 years. Warner now plans to make his home in Lane county.

PINE CIRCLE NOW TO MEET

SPRINGFIELD—Pine circle 45, NOW, will meet in regular session Wednesday at 8 p.m. in the Legion hall. All guards and officers are requested to be present. Mrs. George Cox, chairman of the refreshment committee, will be assisted by Mrs. Charles Laxton and Mrs. Graydon Lewis.

Mrs. Grace E. Goodman

ALVADORE — Mrs. Grace Ethelyn Goodman, 62, of Alvadore, died Monday at the family home. She was born Aug. 17, 1882, at Mills county, Iowa. She had lived in this community for more than 45 years, and was a member of the Christian church. Surviving are her husband, Frank F. Goodman; four sons, Darwin F. Goodman of Wendling; Donald B. of Oakridge; Edwin D. of Shelburn, and Robert M. of Tucson, Ariz.; eight grandchildren; three brothers, Seth Byers of Wendling and Fred C. Byers and John R. Byers of Portland; two half-sisters, Mrs. Rosa Phillips of Sheridan; Miss Ollie Byers of Independence. Funeral services will be held Wednesday at 2 p.m. at the Veatch-Hollingsworth mortuary. Rev. E. J. Fulton will officiate, and burial will be at the Inman cemetery.

Blood Promisers Fail To Appear

A spell of indifference apparently struck a large group of Lane county residents Monday, when the mobile unit of the Portland blood center visited Eugene on schedule. A total of 265 persons signed up to be ready to donate blood that day—BUT less than 200 kept their appointments! By madly scurrying around and gathering in a group of "stand-bys" the blood program committee members were able to make their quota of 200 "by the skin of their teeth."

Estimate Made On Route F Grade

At the March meeting of the Lane County Route F committee in Veneta, last week, a report was submitted setting \$7000 as the estimated amount needed to put a road over the hill and connecting the two ends of the route. The statistics were estimated by the county surveyor and a group of contractors who understand that type of work. A committee was named to

Four Youths Jailed For Burglaries

Accused of being implicated in several burglaries committed at Springfield Sunday night, Eddie Duncan, 19, local youth, and three youths of juvenile age from Portland are in the county jail, having been rounded up at Springfield Monday afternoon. H. A. Chapman, state police officer, made the arrests. Duncan and the three other boys came to Eugene from Portland Sunday, according to the story told the officers. One of the boys admitted that he and another one of the members and Duncan robbed a store in Portland, getting \$163 in cash, some beer, "pop" drinks and other goods. Then that night, the officers were told, all four of them entered the basement of the "Y" market at West Springfield, but could not get upstairs to the main floor of the building. Following this, Duncan and one of the juveniles are alleged to have entered Obak's cigar store, Busy Bee cafe, Verne's cafe and the Western Auto Supply store. Cash to the amount of \$125 was taken in the several places and some champagne and other goods were taken from Obak's. The police recovered practically everything stolen except the cash.

George Warman Dies At Oakland Base

George T. Warman, 22, aviation machinist's mate 2-c, U. S. navy, son of Mrs. Naomi Warman of 3100 Portland street, Eugene, died Sunday at Oakland, Calif., according to advice received from the naval hospital there. It is understood his death was due to accidental injury, but details have not been received. Born at Philomath, July 26, 1922, young Warman enlisted in the navy in February, 1941, before Pearl Harbor. He had been on active duty in the south Pacific until his return to the United States last October. He is survived by his mother and his sister, Miss Velma Warman, both of Eugene; his father, Lloyd Warman of Corvallis, and his grandmother, Mrs. Hilda Warman, also of Corvallis. Funeral arrangements will be

Workers Needed To Make Dressings

Lane county has an enormous quota to meet on surgical dressings, and many more women are needed urgently at Red Cross headquarters in Eugene to complete the goal, reports Mrs. Joseph H. Jackson, chairman for surgical dressings in the Lane county chapter, American Red Cross. Especially, are workers needed at headquarters during the late hours, although many are asked to show up at all times. Surgical dressing classes are being resumed at the Theodor Roosevelt junior high school starting Wednesday of this week. The group will meet from 4:30 to 6:30 p.m. on Wednesdays and from 7:30 to 9 o'clock on Thursdays. Workers are needed badly at this place, too, reports the dressings committee.

Custer would have cheered it

It's the kind of high-riding, hard-hitting raider an old-line cavalryman would love—the fleet Mustang, a great airplane that flies first on Chevron Aviation Gasoline. Rated the fastest aircraft behind a propellor, every P-51 that rolls off North American Aviation's west coast assembly lines is test-flown, delivered on Chevron Aviation Gasoline. And take it from men who fly on Chevron Aviation Gasoline—they say: "After the war we're counting on you to give us a Chevron gasoline for the highway that will put skyway performance in our cars." And we will!

call on the Lane county court to see if that body would be willing to stand part of the expense. At the Friday session, several volunteered to donate \$100 each toward the project. Final decision on ways and means to gather in the needed \$7000 will be made at the next meeting of the committee, the second Friday of April, at Mapleton. More than 50 were on hand for the Friday meeting.
