 "I DON'T BELIEVE IT!"
 But Famous Cereal Did
 Relieve His Constipation
 Are you getting only temporary relief with harsh laxatives? Then read this sincere, unsolicited letter:
 "For over 50 years I have been troubled with constipation. When I saw a package stating, 'ALL-BRAN is a Natural Laxative,' I said, 'Phooey, I don't believe it.' That was two years ago. Now I eat ALL-BRAN every day. I have passed my 54th birthday, and I'm as regular as clockwork." R. M. Hazlett, 209 S. Chatham St., Austin, Minn.
 If you suffer from constipation due to lack of bulk in your diet, eat a dish of KELLOGG'S ALL-BRAN every day and drink plenty of water. Do this for ten days and, if you aren't completely satisfied, send the empty carton to the Kellogg Company, Battle Creek, Michigan. You'll get double your money back.
 ALL-BRAN is not a purgative. It's a highly nutritious cereal made from the vital outer layers of wheat. Supplies gentle-acting bulk, helpful to easy, natural elimination. Eat ALL-BRAN every day as a delicious cereal—or in muffins. Get ALL-BRAN at your grocer's. Made by Kellogg's of Battle Creek and Omaha.
