"UNBLOCK" your DIGESTIVE TRACT
And Stop Dozing Your Stomach With Soda and Alkalizers
Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda and other alkali- zers if the true cause of your trouble is constipation.
In this case, your real relief is not in the stomach at all. But in the intestine, tract where 80% of your food is digested. And when it gets blocked it fails to digest properly.
What you want for real relief is not soda or an alkalizer—but something to "unblock" your intestinal tract. Some- thing to clean it out effectively—help Nature get back on her feet.
Get Carter's Pills right now. Take them as directed. They gently and effec- tively "unblock" your digestive tract. This permits your food to move along normally. Nature's own digestive func- tions can then reach it. You get genuine relief that makes you feel really good again.
Get Carter's Pills at any drugstore— 25c. "Unblock" your intestinal tract for real relief from indigestion.
