

We Will Have Christmas Tree, Program

COTTAGE GROVE—This city will have a community Christmas tree and program if the present plan of the Business and Professional Women's Club is carried out as planned. Mrs. Grace Caldwell, president, and Mrs. Ruth Caldwell, chairman of the affairs committee, announced the plan this week, under the direction of Mrs. Caldwell. The plan includes a Christmas tree, a school chorus, Miss Leum, leader, and the school chorus, Fred Hollister, who will lead the singing of Christmas songs. Choirs of the churches are especially invited to participate in this first community songfest. The tree will be set up by the well known lumber Co. The B and P Women's Club hopes that the entire community will turn out and join in the singing of Christmas carols, which will be announced when the tree is erected. It is expected that it may become an annual event. Mrs. Caldwell said that 20 members of the Chamber of Commerce Tuesday heard Don Lane, of the Eugene Chamber talk on the subject of a secretary-manager for an organization. Lane is secretary-manager in Springfield and he said it took three years to build up that kind of a set-up. It is now proving itself. No definite action has been taken toward the plan, but it is being given consideration.
