Lions have been highly successful so far in The City of Eugene has a small amount of playground pool and Steering Committee Chairman Walter Bridges hopes enlisting aid from other service clubs in the city and they equipment for the project and has almost finished the laying to organize the planning dinner Monday so that every project is spoken for, and weather permitting, ready for use by May. RFD Service Halts 'Til Roads Repaired

OREGON CITY—(AP)—Some Clackamas County roads are so bad that rural mail deliveries may be halted until road crews catch up with repairs, the county roadmaster reported Friday.

A stretch of Route 2, Canby, is so deeply rutted that the mail carrier is almost unable to drive through, the Canby postmaster said. Several other roads, thawed suddenly after a two-week freeze, are almost impassable.
