Probably the greatest ice hockey sextet ever headquartered on the Pacific Coast, the Portland Eagles, will be one of the feature attractions at the Active Club's benefit ice hockey game and ice show at the Eugene Ice Arena Friday night—for the Lane County Sports Polo Fund.

The Eagles, far ahead in the Pacific Coast League, will play a full-time game as part of the show and it won't be an exhibition, says Coach Jimmy Ward. The reserves have long awaited a chance to show up the regulars in public—and predict they'll do just that Friday.

Personnel of the Portland squad follows:
Coach Jimmy Ward (third year).
Winger Jim Planche, through games of Sunday, Feb. 9—was leading Pacific Coast Ice Hockey league, both Northern and Southern divisions, in scoring with 91 points.

Eddie Coleman has scored the most goals among the Eagles—45, while Planche had the most assists, 83.

Bill Kyle rated best centerman in league; has scored 83 goals and set up plays for 46 others for total of 79 points.

Phil Dalgleish was a defenseman last year, but is playing wing this season because of abundance of new defensemen.

Larry Reardon was out six weeks with appendicitis operation

and fell behind in scoring pursuit. Ward rates him as future star like two brothers in the National Hockey League.

Johnny Gauthier smallest player on team; plays wing, has scored 36 points to date. Broke his thumb Sunday, may not see action.

Jack McDonald plays either wing or defense; formerly played for New York Rangers.

Pat Desbiens another hard luck guy. This is his first season here.

Bill Allan, Butch Marchant and Skipper Bean (captain) big, rugged fellows who manage to give more than they take. All are playing their first season with Portland.

Goalie Jerry Fodey has the second best goals-against average in the northern division. He has one shutout to his credit.

Sunday's win over Vancouver was the Eagles' sixth in a row. They have won five straight and three in succession three times this year.

John Schmidt and Joe Schmidt are brothers, joined the team in midseason after playing the early part with New Westminster.

Four figure skating acts will share top billing, featured by the appearance of Gloria Jeske and Ed Worth, Pacific Coast champions.

Tickets, still on sale at the Club Cigar Store, Millers, the Ice Arena and by members of the Active Club, are expected to be at a premium by show time.

Zale Knocks Out Rival
WICHITA, Kas., Feb. 13.—(AP)—Tony Zale, middleweight boxing king from Gary, Ind., today awaited the final outcome of Rocky Graziano's difficulties with the New York State Athletic Commission and the National Boxing Association before scheduling any more opponents.

Zale convincingly disposed of Len Wadsworth, Toronto, Canada, here Wednesday night, knocking out Wadsworth in the third of a 10-round non-title bout.

HIGHCLIMBER By DICK STRITE

You couldn't very well say the Washington Huskies are getting too big for their britches—because the Seattle school has long been the power in the Northern Division of the Pacific Coast Conference. You could say, however, the Huskies are just beginning to assert their authority—and drawing power.

At the close of the 1946 football season Washington, through its Athletic Manager Harvey Cassill, issued an ultimatum that the Husky eleven would never in the future play on Oregon soil after October—because of "unplayable" gridiron conditions. Now the Huskies come out with another demand—that the annual "four-games-in-five-days" basketball tour of the Inland Empire and the Willamette Valley are out.

Cassill said with basketball the tough game that it is, such trips take too much out of the players and the economy of expenses through single trips is no longer a necessity. Cassill is probably correct on both counts. But remember—the ultimatums came after Washington had lost in football to Oregon State on Multnomah Stadium field November 30, and the Huskies lost three of four basketball games in the Willamette Valley and split even in four Inland Empire tilts. True, the Huskies must play two such for-game basketball series as against one each for the other four members of the Northern Division.

MAIL-A-BUCK
Discovered another rowing enthusiast in Eugene. . . T. W. Heckel, owner of Appliance Center, is a former Coxswain for the University of Washington and is interested in seeing the University of Oregon start crew.

Bob Pollard, former Springfield High and Oregon Frosh center, is still leading scorer for Eldon Fix' Lewis & Clark College quintet. . . When Southern Oregon College lost its first basketball game recently, Charley DeAutremont and one other regular were out of the lineup.

Oregon and Tulane are the only 1946 opponents not included on the 1947 Southern California football schedule. . . Despite the lowly position of the USC Trojans in Southern Division play, Gene Rock, an all-conference forward before the war, is averaging 11.8 points per game.

MAIL-A-BUCK
We understand the development of the old Eugene High School athletic field as a recreation park will depend on the functioning of various service clubs who will take on separate projects. Here is a tip to the club that wants the most assistance from the outside—young fellows to do actual work on the project.

There will be a clubhouse, outdoor theater, volleyball, tennis, croquet and badminton courts, a bowling green, wading pool, football field, softball field and baseball diamond. . . The one thing quite a number of young men in Eugene want in the worst way is that softball field which they hope to have lighted for night games this summer. Take a tip from us and select the development of the softball field as the one most likely to be completed before the May deadline.

MAIL-A-BUCK
Thanks to Walt Dennis, the Mail-a-Buck fund didn't draw a blank today and increased to \$289.81. . . Mail in your bucks before Saturday and boost the final total to at least \$700.

Final 'B' Hoop Tilts Slated

Although all interest has centered on the annual tournament that gets under way this Saturday evening at Springfield, there are still a number of schools who have final league games coming up Friday in the Lane "B" basketball campaign.

Mapleton and Pleasant Hill have both the Western and Eastern Division pennants sewed up, and Siuslaw and Lowell likewise have second place in each division clinched.

But the rules say the schedule must be completed, so on Friday night Oakridge and McKenzie will wind up the Eastern Division season with a game at McKenzie, and final round Western action will see Lorane travel to Coburg and Mapleton to Triangle Lake.

The other schools have completed their schedules. Defending county champion, Pleasant Hill, is heavily favored to annex its fifth championship in a row after breezing through their league schedule undefeated.

A severe loss of form appears to be the only thing that could prevent the Billies from repeating.

Their will be no advance ticket sales, all seats being general admission for the affair. Admission prices will be 65 cents for adults and 35 cents for students.

In one of the final games Wednesday night at Florence, Siuslaw beat Crow 48-30 as Bob Barrett retained his individual scoring lead with 25 points for the Vikings. The winners were forced to come from behind, after trailing 10-9 at the quarter and being deadlocked 21-21 at halftime. The Crow second team won 15-14.
