

# Potato Growers May Get Goals

Oregon potato producers who are on county AAA lists as commercial growers during the period 1945-46 will soon be receiving notice of the 1947 farm acreage goals for a reduction in potato plantings of about 15 per cent last year.

been designated in Lane County for 1947 according to Ernest E. Schrenk, county committee chairman. Growers who intend to plant more than 2.9 acres and who have a potato history to back up such a request, should request a goal to be set up for their farm. These requests or appeals must be in the Lane County AAA office by March 3.

Growers who plant more than their farm goal or more than the 2.9 acres if they have no goal, will not be eligible for government price support on their 1947 potato crop, according to Schrenk.

As advertised by Story & Clark in the Saturday Evening POST

# MOTHER'S HAVING FUN!

(She's learning to play the piano!)

If you are one of the millions who wish you "had learned to play the piano", why not now? Modern music has been made so easy that anyone can now learn to play, quickly—much more rapidly than children!

more fun than they have for years!

Come in and talk with us about it. We would be more than happy to help you get started with music. And while you're here, be sure to see the superb and lovely Georgian Console, by Story & Clark—an instrument so glorious in tone, so exquisite in cabinet styling that it is known as one of the greatest piano values in the world!

# Girl Christens New Airplane

Miss Kay Elizabeth Panzer, 3 1/2 years old, daughter of Mr. and Mrs. Al Panzer, 160 N. Lawrence St., christened a new plane in a recent ceremony at Eugene Airport. Sitting astride the propeller, Kay poured the contents of a bottle of "Squirt" on the hub and conferred the name of "Donald Duck" on the ship.

The Webfoot Flyers, organization owning the plane, is a private group of citizens of Eugene who share a common interest in flying and have formed a club to pursue their hobby, explained Leonard Oswald, club president. He asked that all persons who are interested in the activities of the group contact him at 742 Jefferson St.

Oswald said that a special meeting is to be held at the office of Pacific Aircraft Corp., Eugene Airport, on Monday, Feb. 24, at 7:30 p.m. It is for the purpose of considering the current budget and passing on applications for membership.

# Elementary Teachers Schedule Workshop

A workshop on health and physical education problems will be held Feb. 28, at Springfield Union High School for all elementary school teachers. Mrs. Lucille Kennedy, Lane County school superintendent, announced Friday.

The workshop will begin at 9 a.m. and continue all day, with luncheon served at noon at the Lincoln School.

# Compton Warns Against Delay

WASHINGTON—(AP)—Dr. Karl T. Compton said Friday that scientists will quit en masse and the atomic energy program will become "a hollow shell" if political and special interests win their fight against David E. Lillenthal.

Compton, president of Massachusetts Institute of Technology and a leader in development of the atomic bomb, expressed "disillusionment and disgust" over Senate delay in confirming Lillenthal as chairman of the Atomic Energy Commission.

Compton expressed his views in a letter to Senate President Arthur H. Vandenberg (R-Mich.).

His letter was introduced into the record of the Senate Atomic Commission now considering the appointment and preparing for a vote of strength on the drive of Sen. Kenneth McKellar (D-Tenn.) to block confirmation.

Compton said further delay in acting upon the nomination would be "a blow to progress" in both military and industrial applications of the new power.

The entire program, he said, would be reduced to little more than "glib talk" if action approving Lillenthal was not immediately forthcoming.

Already, he said, scientists have quit their jobs at the atomic projects at Los Alamos, N. M., and Oak Ridge, Tenn. The effectiveness of the plants have been reduced seriously. Although he stoutly backed Lillenthal's appointment, Compton made clear that the problem was more far-reaching than the mere question of confirming Lillenthal.

# ALONG BIG FALL CREEK

**BIG FALL CREEK**—Mr. and Mrs. Chas. Page, owners of the Polled Hereford Ranch, have gone to California on a combined business and pleasure trip. Their baby son is being cared for by his grandmother, Mrs. Christopherson of Eugene while they are away.

Mrs. Vernon Johnson entered a hospital in Eugene, early Monday morning for an operation. Mrs. Dale Kinsley was also taken to the hospital where she has undergone an operation. Mrs. Ira Tritt has had the mumps, but is out again.

Mr. and Mrs. Lester Gully, owner and operator of the logging mill of that name, celebrated their 28th wedding anniversary Monday, with a dinner and party in Eugene.

Lee Donaldson and crew who have been here for several months constructing roads for several logging companies, have finished their work and returned to Portland. The shovel used in the road work and owned by the United Construction Co. of Portland and operated by Tom McHale, was staying over a couple of days to dig a pond for the Ferguson Company where Ferguson intends to move his mill soon, and which will be sawing out the smaller timber which was not cut by the fallers.

Bert Vaughan has recovered from the mumps and is back to his work.

Mrs. Paul Faust and small son, Dale, have moved into one of the Forbes' houses. Mr. and Mrs. Forbes have moved into their new apartment which they recently finished on the rear of their restaurant building.

Mrs. Wilma Sneddon, new matron of the Young People Grange, is busy installing quite a group of folks.

# Driver to Face Court For Alleged Left Turn

Raymond N. Bascue, Rt. 4, Eugene, will appear in municipal court next Wednesday following his citation by city police on charges of making a left turn from the right lane.

Bascue's car collided with a Terminal Taxi cab driven by Gordon Allen West, 140 Sixth Ave. W., at Eighth and High Sts. Thursday evening.

# WALTERVILLE HUNTS NEW PHONE POLES

**WALTERVILLE**—Mr. White of Eugene, of the U. S. Forest Service, was in this vicinity this week contacting officers of the different telephone companies, notifying them that they expect to sell their telephone line that runs the length of the McKenzie Valley and on whose poles the local farmers' telephone lines run. This line was built in the early 1930s and has served the people of the McKenzie Valley since.

With the sale of the line new arrangements will necessarily be made. Special meetings are being called by the different companies to discuss future upkeep of the lines and McKenzie Valley Farmer Telephone line special meeting is March 3 at 8 p.m. at the Deerhorn schoolhouse. All shareholders are being notified by their secretary, Mrs. Frank Page.

In the KOAC radio art contest for the past week Shirley Schluke-bier received first and Tommy Lincoln honorable mention. In the Valentine drawing contest Sue Ann Wiest was first, Walter Steen second, Kenneth Smith third, and Lauren Alexander fourth.

The Walterville School will play Deerhorn School Friday in the first of a series of ball games between the schools for the spring months. Martha Bliss is again in school after having been at home because of the illness of her father.

**IN DELIGHT VALLEY**  
**DELIGHT VALLEY**—The Ralph Sears have planted a family orchard on their recently purchased acreage from the Walter Sears place.

House guests of Mr. and Mrs. Fred Norris are Mr. and Mrs. L. Walker and Mrs. Ford of Canada.

Mrs. Malcolm Horn left Friday night for Long Beach, Calif., where she will visit for the next ten days.

The photographic industry is the largest commercial consumer of silver in the U. S.

# Opening of Bids Set In Portland March 11

Sealed bids for Oregon and California Revested Lands Administration timber will be opened in Portland March 11, it was announced Friday by the O & C office in Eugene.

Two Lane County tracts will be up for sale. The tract on Ferguson Creek, seven miles northwest of Junction City, is composed of 240,000 board feet of felled Douglas fir, valued at \$1,344,000.

The other sale, about 18 miles southeast of Cottage Grove on Sharps Creek, includes all merchantable timber, estimated to be 65,000 board feet of Douglas fir and valued at \$325,000.

# MINE ALSO RANCH DU QUOI, ILL.

The United Electric Fidelity coal mine, which produces about 6800 tons of coal daily, also is in the cattle business. The mine sold 43 head of black Angus beef cattle, raised on reclaimed strip lands.

**PUBLIC NOTICE**  
The Golden West Coffee now on your grocer's shelves is so high in quality, so fresh, so perfectly roasted and blended that it is guaranteed to be...  
**THE BEST COFFEE YOU EVER TASTED ... OR YOUR MONEY BACK!**

**HOW IS SUCH A GUARANTEE POSSIBLE?**

- 1 Because Golden West Coffee is richer in those rare, fine-flavored coffees from Central America. Proof of this is apparent in the appetizing aroma and fragrance so evident whenever a can or jar of Golden West Coffee is opened.
- 2 Because Golden West Coffee comes in THREE grinds... Silex, drip and regular. Scientific tests have proved that the only way to get full flavor from coffee is to use a grind made specifically for your type of coffee-maker. Today Golden West is the only leading coffee in the West available in three grinds!
- 3 Because Golden West Coffee is roasted to its rich and fragrant best. Golden West is never over-roasted, never under-roasted, never streaked with light or dark grains, but is always an even, velvety, golden brown throughout.

Golden West Coffee is always fresh because it's vacuum-packed. Buy Golden West today.
