New Teachers Given Positions In Eugene City School System

A total of 37 new teachers will begin their duties as instructors in District 4 schools when they report for the pre-school workshop in Eugene Wednesday, Sept. 3.

On the list of new teachers are 22 elementary instructors, 12 secondary teachers and three specials. In addition, two secondary and eight elementary teachers will return to service after an absence of a year or more.

Superintendent Clarence Hines Thursday released the following names of new instructors and the subjects they will teach:

Eugene High School — Lucille Anderson, English and radio; Mildred Bergene, librarian; Carl Blood, mechanical drawing; Josephine M. Wolfe, Spanish.

University High — Juanita B. Austill, English; Agnes Best, girls' health and physical education.

Kelly Junior High—Ruth Ehrlick, girls' health and physical education; Ruth Hanrahan, art; Dorothy Riggs, social living.

Roosevelt—Prenice Wallace, social living; Howard Weddle, boys, physical education.

Wilson—Paul Scranton, boys' physical education.

New elementary teachers and their assignments are: **Bailey Hill** —Mrs. Geneva Chase and Gordon Corner; **Condon**—Ruth J. Bolton, Lois McKern, Edna C. Powers and Evelyn Underwood; **Dunn** — William Cook, Genevieve Denbroder, Marjorie Reeves and Jean Anne Spencer; **Edison** — Ruby Merritt; **Lincoln** — Mary E. Barber, Helen Johnson and Lois Willett; **Stella Maglardy** — Luella M. Miller; **River Road** — Irene Burgess, Nora Flemington and Harriet Van Pelt; **Santa Clara** — Phyllis Harrold; **Washington** — Arthur J. Flynn; **Whiteaker** — Connell Napier; **Willard**—Marva Brown.

A total of 234 certified employes will work in Eugene schools during the coming year as teachers, supervisors and administrators. This is an increase of nine over last year.

$100 a Month for Life

The Golden Years Plan gives you:

1. Definite monthly income for life when you wish to retire.
2. Protection for family now.
3. Pays double for accidental death before retirement age.
4. Builds up large cash reserve.
5. Pays steady income if you are permanently disabled.

Doctor said she'd thrive on Borden's!

Rita was a mighty small baby when she was born—and I wanted to do all I could to make her strong and healthy. The doctor suggested giving her Borden's Vitamin D Evaporated Milk. You know, it has *three* times as much Vitamin D as before. So Rita gets a full day's supply—400 units in every pint. And she's just bursting with pep now!

P. S. to Mothers: *Borden's Vitamin D Evaporated Milk is accepted by the American Medical Association, Council on Foods and Nutrition.*

Know what Borden's does for sauces?

One day I needed to make a Rabbit Sauce in a hurry. I saw the Borden's Evaporated on the shelf. I tried it and certainly made a discovery! I'd made Rabbit Sauces before—but none ever tasted quite so rich and delicious. I use Borden's in my cooking all the time now—it blends so perfectly with other ingredients, and always turns out a grand, smooth sauce. Try it!

HERE'S A RABBIT SAUCE THAT'S REALLY LUSCIOUS!

Rabbit Sauce

½ pound of American cheese
2 tablespoons butter
1½ tablespoons flour
½ teaspoon salt
¼ teaspoon pepper
¼ teaspoon paprika
¾ cup Borden's Vitamin D Evaporated Milk
¾ cup water

Cut cheese in small pieces. Melt butter in double boiler. Add flour, salt, pepper, and paprika. Blend thoroughly. Add Borden's Vitamin D Evaporated Milk and water gradually, stirring constantly until mixture thickens. Continue cooking 10 minutes longer in double boiler, stirring occasionally. Add cheese and beat with rotary egg beater until cheese is entirely melted. Serve immediately over toast, fish, brussel sprouts, cauliflower, cabbage. Makes 2 cups of sauce.

New York Markets

By VICTOR EUBANK

NEW YORK, Aug. 21—(AP)—It was a selective recovery market for stocks Thursday although demand still was notably timid and many leaders did little or nothing.

Prices generally edged forward after a hesitant opening, with mild short covering and quick-turn buying based on the idea that three failing sessions entitled the list to at least a technical comeback. Dealings were slack throughout but gains of fractions to a point or so predominated at the close. Transfers again were in the neighborhood of 600,000 shares for the full stretch.

Dividends and earnings, on the whole, were ignored but Gaylord Container touched a 1947 top in the wake of a boosted quarterly. Mullins Mfg. also was at the year's high. Favored were American Machine & Foundry, Marshall Field, Curtis Publishing, Youngstown Sheet, U.S. Steel, Chrysler, U.S. Rubber, Montgomery Ward, Woolworth, Curtis-Wright "A."

Western Union American Telephone, Du Pont Baltimore & Ohio and Great Northern Railway.

Bonds were uneven. Cotton, toward the finish, was off 80 cents to up $1.30 a bale. At Chicago corn and oats futures reached record peaks but eventually subsided. Corn ended up 1¼ to 3¼ cents a bushel, wheat 1¼ to 2¼ and oats ¼ to 1¼.

THERE REALLY IS ONE

PORTLAND, Ore.—(U.P.)—George Cobb celebrated his 23rd year here as a paperhanger. He lost his left arm as a boy.

NOTICE OF HEARING ON PETITION FOR CREATION OF WATER CONTROL DISTRICT

IN THE COUNTY COURT OF THE STATE OF OREGON FOR THE COUNTY OF LANE

In the Matter of the McKENZIE WATER CONTROL DISTRICT

Notice is hereby given that the first hearing on the petition for the creation of the McKenzie Water Control District will be held in the County Court Room of the Lane County Court House in Eugene, Lane County, Oregon, on the 17th day of September 1947, at the hour of 10:00 a.m.

Said hearing will be for the purpose of determining whether the lands included within the proposed boundaries for the district, as such boundaries are described in said petition, will be benefited by the creation of the district and for the purpose of determining the proper boundaries for the district if the Court shall find that the lands within such boundaries will be benefited upon the creation of the district.

All persons owning or claiming an interest in lands located within the boundaries described in said petition hereby are notified to appear at said place at said time and show cause, if any there be, why the prayer in said petition should not be granted. Any land owner or other person interested may appear and present written or oral statements for or against the granting of the petition for the creation of the district or to the proposed boundaries for the district.

The following is a true and correct copy of said petition together with the names, addresses and acreage of lands owned by the signers thereof:

IN THE COUNTY COURT OF THE STATE OF OREGON FOR THE COUNTY OF LANE

In the Matter of the McKENZIE WATER CONTROL DISTRICT

PETITION

We, the undersigned owners of land lying within the boundaries described, hereby petition the above entitled Court for the creation of a water control district under and pursuant to the provisions of Chapter 316 of the Session Laws adopted by the 44th legislative assembly of the State of Oregon and in support thereof respectively represent to the Court:

1. That the name proposed for said district is "McKenzie Water Control District."

2. That the boundaries proposed for said district are as follows:

Beginning at a point on the McKenzie Highway where said highway intersects the east line of the west half of the northwest quarter of Section 34, Township 17 south, Range 1 west of the Willamette Meridian; thence south to the center of the main channel of the McKenzie River; thence downstream in the center of the main channel of the McKenzie River to the point where the McKenzie River with the Willamette River; thence upstream in the center of the main channel of the Willamette River to the point where it crosses running north and south through Section 34, Township 17 south, Range 2 west of the Willamette Meridian; thence north to the quarter section line of Section 34; thence east along the north line of said Section 34 to the northeast corner of the city of Springfield; thence north to the northwest corner of the City of Springfield; thence following along the northeasterly boundary line of the City of Springfield to the northeast corner of the City of Springfield; thence south along the east line of the City limits of Springfield to the north line of the right of way of the main line of the Southern Pacific Co.; thence in a southerly and easterly direction along the north line of said right of way of the Southern Pacific Co. to the south line of Township 17 south, Range 2 west of the Willamette Meridian; thence east along the south line of Township 17 south, Range 2 west of the Willamette Meridian to the northwest corner of the Thomas J. Maynard Donation Land Claim No. 44, Section 35, Township 17 south, Range 2 west of the Willamette Meridian; thence north along the east line of said Thomas J. Maynard Donation Land Claim to the center of the McKenzie Highway; thence east along the center line of the McKenzie Highway to the point of beginning, all being in Lane County, Oregon.

Saving and excepting therefrom such lands therein as may be in the McKenzie Improvement District No. 1, McKenzie Improvement District No. 2 and Willagillespie Improvement Co.

3. That the said described boundaries include approximately 13,000 acres of land located in the County of Lane, State of Oregon, and no part of said land is located within any other county within the State of Oregon.

4. That all or substantially all of the lands within the above described boundaries will be benefited upon the construction of drainage, irrigation or the above described surface water control works, including but not limited to the following:

(a) Construction and maintenance of a dike along the west line of Sections 3, 4, and 5, Section 30, Township 17 south, Range 2 west W. M. in Lane County, Oregon, for the purpose of preventing flood waters of the McKenzie River from flowing westward through said Section 30 across lands located in Sections 13, 17, 21, 22, 25 and 26 in Township 17 south, Range 3 west W. M. in Lane County, Oregon, in order to prevent damage to lands, houses and other improvements located within said sections during flood stages of the McKenzie River.

(b) Improvement and maintenance of a drainage way now existing which runs in a westerly direction from the west boundary of the City of Springfield in Lane County, Oregon, through Sections 17, 18, 20, 21, 27 and 28 in Township 17 south, Range 3 west W. M. in Lane County, Oregon, for the purpose of providing an outlet for surface water which now accumulates on lands within said sections in order to prevent damage to lands, houses and other improvements located within said sections during periods of excessive rainfall.

(c) Construction and maintenance of dikes and revetments along the banks of the McKenzie and Willamette Rivers in order to prevent damage to agricultural lands on the banks of said rivers.

(d) Construction, improvement and maintenance of numerous other drainageways crossing lands within said boundaries in order to provide outlets for surface waters which now accumulate on lands within said boundaries in order to prevent damage to said lands and the improvements thereon during periods of excessive rainfall.

(e) The acquisition or construction and maintenance of works, dams and structures for the purpose of furnishing lands within said boundaries with water for irrigation, domestic, manufacturing and other purposes.

That the construction or acquisition of such structures and works and improvement and maintenance will be conducive to the public health, welfare and safety.

WHEREFORE, the petitioners pray that the lands included within the above described boundaries be organized as a water control district and that the Court enter an order fixing a time and place for the first hearing on the petition at which hearing the Court shall set and determine the boundaries for said district and that the Court shall direct the County Clerk of the County of Lane, State of Oregon, to give notice of such first hearing by the publication of such notice each week for four consecutive weeks in the Eugene Register-Guard, a newspaper published in the City of Eugene, County of Lane, State of Oregon.
