

Wins Partnership Aid

Ashland president in the winner of scholarship. Dr. and Mrs. 122 High St., Ash-

medical school, is endowed through a bequest from the late Mildred Anna Williams, and will pay the young pre-medical student \$200 for his last year in the university and additional sums of \$200 for each of his four years in medical school.

Selection of Burdick was made by a pre-medical advisory committee of the university on the basis of appraisals submitted by university science instructors; scholastic excellence being the primary factor considered.

Burdick was one of more than 50 prospective medical school students of the university interviewed last Friday and Saturday by an admissions committee from the medical school.

The interviews are a step in determining admission to the medical school's fall class of 1948. Notification of admission to the medical school will be made at a later

Lane Representatives Indicate Desire to Attend '49 Session

Possibility that Lane County's legislative delegation to the 1949 sessions of the state legislature will be the same as that in the 1947 session was seen Tuesday.

Representative Herman P. Hendershott, youngest member in point of service, filed formal notice in Salem of his intention to enter the May primaries on the Republican ticket.

Hill, Snellstrom
Representative Earl Hill, Cushman, said he "wouldn't be surprised" if he decided to run again, and Representative John R. Snellstrom, Eugene, said he hadn't filed yet but "I intend to do so."

Fellow Republicans Angus Gibson, Junction City, and Truman Chase, Rt. 2, Eugene, are in the Senate for four-year terms and do not have to enter the race for 1949. So far, no Democrats and no other Republicans have indicated intentions to run.

Hill made no definite commitment, but commented that if he ran he would have to resign his seat on the fish commission. He resigned his post as a legislator last fall when it was ruled that he could not be a member of both state bodies at one time. He attended his first legislative session in the 1930's and has been a member frequently since then.

Three Sessions
Snellstrom attended the 1943, 1945 and 1947 sessions. Hendershott had no formal

statement, but said he found his first session in 1947 "very interesting and a lot of fun." He said he thinks taxation and appropriations will be the chief topic of the '49 sessions. The high cost of living has brought wage raise requests from state employees, he pointed out.

Because a large surplus has piled up in the "untouchable" state income tax fund, Snellstrom said the legislature probably will devote time to studying means of tapping the fund. Present law forbids use of income tax money for any purpose except that of reducing property levies.

County Civil Service
Snellstrom said he is "thinking over" a bill to put county employees under civil service. However, he said, such a plan requires a relatively uneconomic administrative set-up with a board and a secretary.

Multnomah (Portland) is the only county with such a system now, but Hendershott said Lane, Marion and Clackamas are growing so large that study of civil service set-ups is warranted. He said employees want job protection.

Woodworkers Ask Increase

PORTLAND — (P) — The CIO International Woodworkers of America will ask a 32 1/2 cent an hour increase, plus a 7 1/2 cent an hour welfare fund bonus, in forthcoming wage negotiations in five states.

James E. Fadling, IWA president, announced the goals at the close of a weekend IWA conference here. The demands, to be asked in new contracts starting April 1, also include pay for six holidays.

The present minimum in Washington, Oregon, Northern California, Montana and most of Idaho is generally \$1.32 1/2, although some contracts are 2 1/2 or 7 1/2 cents lower.

Increase Possible
Fadling said the union's research department believes the wage increases could be granted even if substantial reductions are made in lumber prices. He asserted the study indicated that lumber prices and profits could enable wage increases of even 50 cents an hour.

The union chief reported the welfare fund bonus was a part of the union's proposal last year, but was not accepted by operators. The 7 1/2 cents an hour would provide death, hospital, surgical and medical benefits for woodworkers' families and sick leave pay plans.

Holidays
The holidays for which pay will be asked are New Year's, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas. Present contracts generally provide a 40-hour week of five days with six holidays, but holidays are not paid.

Sen. Wayne L. Morse (R-Ore.), who spoke to the 219 IWA delegates attending the meeting, declared that a price cut would be preferable to wage increases in meeting the high cost of living.

He added, however, that if prices continue to spiral, labor has no alternative but to seek more money.

TEL AVIV RAID
JERUSALEM — (P) — Eight men and women brandishing weapons robbed Barclay's bank in Tel Aviv of between \$50,000 and \$75,000 at noon Monday, Jewish sources reported. The robbers looted five small cash boxes in the bank, relieved customers of the money they were carrying, and then escaped in a taxicab.

Red Tape Stops GI Dividends

WASHINGTON — (AP) — Red tape is holding up payment of a dividend estimated at from \$1,000,000,000 to \$2,000,000,000 to ex-GI's who hold National Service Life Insurance, President Truman said Monday.

The dividend can't be paid until the financial liabilities and the legal status of the fund are made for it in the budget,

the President said.

"The veterans administration is gradually catching up on the processing of the basic insurance records," he added.

However, he held out some hope. The general contingency reserve includes money to pay the dividend "if the exact status of the fund is clarified during the fiscal year of 1949," Mr. Truman said.

Cadet Officer Ratings Listed at University

Non-commissioned cadet officer ratings for first-year advanced ROTC students in the University of Oregon have been announced by Colonel Frank R. Maeridian, professor of military science and tactics and head of the military science department in the university. They include the following from the Lane area:

First sergeants: Wyman Hammer and Robert Quick, both Eugene.
Technical sergeants: Robin P. Arkley, Lowell Chase, Wesley R. Miller, Robert F. Phillips, Donald K. Schmieding and Roger W. Wahlgren, all of Eugene.
Staff sergeants: Lynn F. Bucklin, Cyrus Garnett, Charles E. Hallin, Willis E. McCullough and Dean P. Sheldon, all of Eugene; Sedwin D. Wisdom, Cheshire Clifford J. van Prooyen, Creswell; David J. Kempston, Lorane; and Gordon R. Allbright, Springfield.

RE'S NOTHING SLOW ABOUT H-O!

in 3 Minutes!
Disappears in nothing flat!

Full of Pan-Toasted flavor... rich, creamy and H-O Quick Oats really hit the spot. Only H-O precision-cut, in uniformly fine flakes, so they are extra-smooth and creamy. Only H-O Oats are cooked by an exclusive process that slow-cooks the brick ovens over open fires, to bring out the real own flavor of every grain.

Quick Oats have everything—finer flavor, finer plus all the nutrition for which oats are famous. From the youngest to the old, everybody likes the flavor of H-O.

There's no substitute for Nucoa's goodness. Up and down the Pacific Coast, Nucoa is the margarine most mothers choose.

The makers of Nucoa believe that you can't be too fussy about making good margarine. That's why they consult regularly with some of the country's top-ranking nutritionists, refine their own vegetable oils, make their own milk culture, perform 175 tests daily in their own laboratory.

No churned spread, at any price, is richer in food energy, or a finer year-round source of Vitamin A. So you're right when you choose Nucoa margarine. Nucoa's so good "it melts in your mouth!"
