ATTENTION PLEASE

WE URGENTLY need a good 3-bedroom house, in city or suburban, that can be bought for $8000 or less with $3000 down. These folk just can't pay more than this in total price or down payment.

ALSO a good small farm with good improvements not too far out. This must be good and that will produce, out of the flood district. We can show you spot cash for what we want.

WE HAVE several buyers for improved suburban properties that can be handled with small down payments—two or three thousand and fairly good monthly payments.
