SPECIAL
DAIRY COW SALE
AT
VALLEY AUCTION YARDS
1020 Highway 99 North, Eugene, Oregon
Monday, June 21, 12:30 p.m.

61 Beautiful Guernsey and Jersey Dairy Cows. Closing out sale of entire dairy herd, 1st, 2nd and 3rd calf cows. 34 Guernsey, 23 Jerseys, 4 Holsteins.

28 FRESH COWS—and more will be fresh by sale day. Balance close up springers. Production records and age of each cow given day of sale. T.B. and A.B. tested and clean—no mastitis in this herd. The baby calves of these cows will be sold separately from the cows. Here is an opportunity to buy dandy calves.

AUCTIONEER'S NOTE
This is absolutely one of the finest and best dairy herds from the standpoint of production and health in western Oregon. This herd has been culled and built up for high production and is therefor an extra high producing herd of beautiful cows. The owner of this herd is not able to care for them any longer because of ill health. I am having him bring them in to my auction yard for the convenience of buyers, as his ranch is too far out of the way and on bad roads. This is a rare opportunity —don't miss it!
