### Lowell Will Vote On School Issue

LOWELL — Voters of High School District U-9 will vote at the high school, Wednesday, June 16, on a bond issue amounting to \$170,000, to build and equip new rooms for band, home economics, cafeteria, and three new classrooms. The entire heating system will be revamped, the school will be rewired, the science room remodeled, a new roof for the old building, and the entire building painted inside and out, if the issue passes. Work is now progressing on enlarging the dressing rooms.

To pay off the bonded indebtedness a millage levy of twelve and one half mills will be equred for a ten year period. As the bonds are retired the levy is to be decreased accordingly.

The board of directors feel that these additions are necessary to maintain standards set up by the state department of education and to care for the probable increase

### Oakridge Christian Has Bible School

OAKRIDGE — Daily Vacation Bible School starts Monday, June 14, at the First Christian Church, and runs through June 25. Classes are 9 a.m. until noon, and children from four through high school age are welcome.

Kindergarten and primary classes will study "God's Loving Care." Juniors will have "Life of Christ;" seniors, "Book of Acts."

"Demonstration Night" will be the last evening of the school, Friday, June 25. Those who need transportation please phone Ray Clark, Phone 2688.

SHEDD — The Shedd Garden Club met recently with Mrs. Lena Pugh. It was voted to hold the annual picnic at Avery Park on June 24. The club will meet July 13 with Mrs. Marcia Margason for a covered dish dinner. Mrs. Ellen Zimmerman will assist.

Miss Dorothy Thompson, a student at U. of O., is spending the summer at her home here.

Betty Jean Githens and Allen Parker, who are students at Linfield College, are home for the summer.

Lorena Townsend has employment in Albany for the summer.

Mr. and Mrs. F. J. Starnes of Des Moines, Iowa are here spending several weeks with relatives and friends. They came by the southern route and visited Old Mexico.

Lora May Holland has gone to San Francisco on a vacation trip. She will visit her uncle and aunt, Mr. and Mrs. J. C. Griffin, then go to her former home at Salinas to visit schoolmates.

Mrs. Doris May Temple and family have been visiting her parents, Mr. and Mrs. Barney Albers. They were (fortunately) visiting them on the day of the Vanport flood where their home was. They lost their home and contents.

Dr. A. B. Calder is speaker at the local Methodist church Sunday.

Paul Stutzman of Halsey sheared sheep for L. N. Starnes Tuesday.

There is an abundance of green feed in the pastures for sheep and cattle now. Fields that have been sown are looking well. A number of farmers are sowing barley this spring.

### FALL CREEK PERSONALS

FALL CREEK — Mr. and Mrs. Jack Palmer are leaving on June 12 for an extended tour of three or four weeks, first to several places in California, then to Denver for a visit with Mr. Palmer's brother and family. Mr. Palmer's sister, whose home is in Chicago, whom he had not seen for more than 35 years, will go to Denver where the Palmer family is to have a reunion.

Mrs. Larry Korte is at home from the hospital. The twin boys, Keith John and Kenneth Charles, are still at Sacred Heart. Keith has graduated from the incubator but Kenneth still has to occupy it a part of each day. All are getting along fine. Mr. Korte is busy in his mint field and is employing several Fall Creekers in hoeing the mint.

What time is it? We hardly know. The post office runs on the old time to conform with the railroad. Most of the people are on "Daylight Saving" time—a sort of mix. Humbug!

JASPER — Mr. and Mrs. H. F. Pilarski have sold their farm on Hills Creek to Mr. and Mrs. Raymond Witt. The Pilarskis are leaving Saturday morning for their old home in Chicago and the Raymond Witt family will move the same day.

**GM GENERAL MOTORS HYDRA-MATIC DRIVE**

# WITH Whirlaway!

Half a million drivers today . . . step on it and WHIRLAWAY!

Yes, there are now more than 500,000 Hydra-Matic Oldsmobiles on the roads—more than 500,000 Hydra-Matic drivers who never push a clutch, never shift gears. And every member of this privileged group of Oldsmobile owners has at his command the thrilling plus-performance of WHIRLAWAY! This is a special safety feature of GM Hydra-Matic Drive\* which provides extra acceleration when you need it . . . for passing on the highway, for mountain driving, for emergencies anywhere. WHIRLAWAY is one more "Futuramic" feature of the car that's taking the country by storm—the Futuramic Oldsmobile!

**FOR PASSING!**  
WHIRLAWAY gets you around other cars more quickly and more safely.

**FOR HILLS!**  
WHIRLAWAY gives you the acceleration to maintain driving speed.

**FOR SAFETY!**  
WHIRLAWAY provides a "safety reserve" of power for emergencies.

**FOR THRILLS!**  
Wherever you go, WHIRLAWAY makes your trip more enjoyable.
