## Tells Purpose Of State Board

"The original objective of the legislature in setting up the state system of higher education with its governing board, was to expedite the interests of higher education with a neutral board considering and acting on the needs of the member institutions," Board Member Henry F. Cabell, Portland, told 350 University of Oregon alumni Saturday at the annual alumni luncheon on the campus.

"Alumni of this institution must join forces with alumni of the other institutions and with friends of higher education to gain those things needed which can make our system one of which we can be proud," said Mr. Cabell.

President H. K. Newburn presented to members of the 50-year class of 1898 Golden O certificates of merit for service as alumni and to the 25-year class of 1923 Silver O certificates.

Toasts for the reunion classes were given by Charles W. West, Eugene, 1898; Oscar Furuset, Portland, 1908; Howard K. Zimmerman, Bend, 1913; Dr. A. B. Peacock, Eugene, 1918; Mrs. Imogene Palmer, Portland, 1923; and Roland Davis, Portland, 1928.

Four of Faculty Honored Retiring University staff members who were given recognition were Dean George S. Turnbull, School of Journalism, retiring after 31 years; A. R. Moore, research professor of physiology, 20 years; Robert C. Hall, associate professor of journalism and superintendent of the university press, 31 years; and Alice Macduff, housing secretary, 18 years.

Special guests at the luncheon were Anne Whitaker, Eugene, one of the two oldest living graduates of the university and a member of the class of 1881; and Emily Bristol Potter, also of Eugene, member of the class of 1867.

Mrs. Fischer Elected Mrs. Marian Lowry Fischer, Salem, was re-elected president of the State Association of University of Oregon Women Saturday morning at the annual breakfast meeting of the organization in Eugene.
