

Western Chamber of Commerce Officials Meet Here This Week

150 western Chambers of Commerce executives and officials of business organizations are here this week to attend the sessions of the Western Institute of Commercial and Trade Association Executives.

The institute offers several courses of instruction for professional chamber and association executives.

Week's Sessions
Classes will be held throughout the week, both mornings and afternoons, on the University of Oregon campus. This is the third time the institute has held sessions on the Eugene campus.

Registrations were made Sunday afternoon with A. H. (Bill) Harding acting as reception chairman of the trade association committee and Fred M. Brenne, Eugene Chamber of Commerce manager, serving in a like capacity for a chamber committee.

Dinner Gathering
Sunday evening the Eugene Chamber sponsored a get-together dinner at the Eugene Hotel.

Actual class work opened Monday at 8:30.

Basic, technical, civic development and activities courses will require almost constant classroom attendance of the enrollees throughout the week. They will be instructed by experts from throughout the western states, including several members of the University of Oregon faculty.

PONTIAC

Adding to its Reputation!

Year after year, Pontiac's reputation grows—as owners spread the good word of its performance and dependability.

This year is certain to add special luster to the Pontiac name—for the great car illustrated here, the 1948 model, is the finest Pontiac ever built.

Even, it offers the performance luxury of General Motors Hydra-Matic Drive*—and it is the world's lowest priced car with this phenomenal advance in easier, more convenient motoring.

It is the most beautiful of all Pontiacs. The finest performing of all Pontiacs. The most dependable of all Pontiacs.

Consequently, we are certain that those who purchase it will be the most enthusiastic of all Pontiac owners—and their praises will add to an already-great reputation for enduring satisfaction.

Better make your own next car a Pontiac. Regardless of when you get it, you can be sure it will be a great car and a great value.

*GM Hydra-Matic Drive, Bumper Guards and White Sidewall Tires optional at additional cost

Swimming Cap Nabs Suspect

SAN DIEGO—(AP)—The long arm of the law took the form of the Australian crawl here after Detective Athos Sada swam out beyond the surf to nab a burglary suspect.

The suspect, Charles H. Dennie, 20, was pulled up on the beach and turned over to some non-swimming detectives.

Dennie, feeling secure, was out for a day at the beach, but neglected to figure on swimming detectives.

He assertedly participated in some burglaries.

Plans are planned for chamber executives and those of the trade organizations, all institute "students" will attend a daily 11:20 a. m. lecture course entitled "America Today."

This course Monday presented Tom Humphrey, Oregon Journal editorial writer speaking on "America Moves West."

Tuesday, Edward C. Sammons, president of the U. S. National Bank of Portland will address the institute on "What's Right About America," and Wednesday will offer a talk on "The Business Man's Stake in Washington," by Henry Kearns, president of an Alhambra, Cal., motor company.

"The Alternative to Distastefulship," will be the message of James W. Hodson, assistant western counsel for the Northern Pacific railroad, on Thursday.

Friday, Dr. Ivar Axel Yaegerstrom, professor of economics at Uppsala University, Sweden, will speak on "Chambers of Commerce and University Cooperation in Sweden."

The Western Institute is sponsored by the Universities of Oregon, Southern California, Nevada and Whittier College; the United States Chamber of Commerce and Trade Association executives. William E. Hammond of San Francisco is manager of the institute.

Worry of FALSE TEETH
Slipping or Irritating?
Don't be embarrassed by loose false teeth slipping, dropping or wobbling when you eat, talk or laugh. Just sprinkle a little **PASTETEE** on your plates. This pleasant powder gives a remarkable sense of added comfort and security by holding plates more firmly. No gummy, gooey, pasty taste or feeling. It's alkaline (non-acid). Get **PASTETEE** at any drug store.
