County Clears 59 Bad Checks

Sheriff Tom Swartz announced Friday that during the fiscal year just ended 59 bad check cases were cleared from the county's books.

The suspect, Albert William Johnson, 43, wanted up and down the coast for writing checks, is accused of forging four checks on a local service station, using the name of Nelson E. Davis.

Dear Patron:

We are pleased that during the summer months of July and August of this year Rubenstein's will close Saturdays at one p.m. to enable all of our employees to enjoy a longer summer weekend together with their families and friends.

Eugene and Oregon and the Northwest have become a mecca for tourists who desire to participate in the pleasure and joys of this renowned summer vacation land. It seems only proper and right that those of us who live here should share these benefits too.

To begin this series of longer summer weekends our entire store family will have the full benefit of a two and one-half day continuous weekend holiday over the July 4th weekend as we will close Saturday, July 3rd, at one p.m. and re-open Tuesday morning, July 6th.

In order to bring these benefits to our co-workers, we ask your cooperation to shop Saturdays during July and August till one p.m.

As always, your patronage is solicited and appreciated.
