Simmons Fans 19 As Albany Whacks Eugene Team, 3-2

Lewis the game. Albany's only legitimate counter came in the fifth when Simmons was hit by a pitched ball, took second on a fielder's choice, and tallied on Gibb's double. Simmons struck out 19 Eugene hitters while Lewis fanned six, and had the Albany hitters breaking their back on his outside curve.

PCL to Solve Solon Trouble

(Associated Press)
San Diego Coast League fans Tuesday night and all this week will see the unusual spectacle of the home team batting first.

The reason: the Padres will be technical host to the Sacramento Solons who lost their happy home when Edmonds Field was virtually destroyed by fire Sunday night.

The 10-game series scheduled for Sacramento was shifted to San Diego but the Solons have been designated the home club for box score purposes and will bat last.

The two teams were to square off in a single game Tuesday night and a double-header Wednesday night.

PCL directors will meet Friday in emergency session to work out plans for the rest of Sacramento's schedule. The earliest the \$1,000,000 plant can be replaced is next season, General Manager Yupi Separovich said.

Charles Graham, president of the San Francisco Seals, offered Sacramento use of Seals stadium whenever it is not in use by the home club.

The league's new leader, Oakland, will try to widen its one-game gap in a seven-game series at Hollywood, which showed signs of waking up last week.

Second-place San Francisco will play host to Los Angeles in attempting to regain the top spot. Portland at Seattle rounds out the week's bill.

Sterling Furniture flaunted their prowess over the rest of the field in 19th and Lawrence Federal League softball play Monday night by shutting out the Eugene Planing Mill, 3-0. Central Lutheran responded nicely by defeating the Elks 3-0 to leave the Sterling team the only undefeated outfit in the loop. With the short five-game round over half completed the Furnituremen are now virtual shoo-ins for the second half bunting to go along with their first half title—and a spot in the city playoffs.

In other games the Moose Lodge pounded out an abbreviated 14-1 win over Buck's Plumbing and the Marines opened the second-half Industrial League drive with a 6-5 win over Giustina.

The old master, Verne Adams, had a two-hit job to his credit in recording the Sterling win. His mates gave him a three run lead in the second inning and he coasted on in.

Central Lutheran pulled the surprise of the evening by knocking over the Elks. Heavy artillery in the fifth and sixth innings produced the win.

The Marines, decked out in spanking new uniforms, gave the Giustina team an early lead, but came back with a big third inning to salt the win.

The Moose batted around and then some in the first inning for nine runs to make it strictly "no contest" in their game with Buck's. Tommy Pendergast with "two for three," a double and a triple that brought in five runs was the big gun in the Moose attack.

Jones, Szasz Date Brawl

Rufus Jones, a lad who seldom tastes defeat, has arrived at opportunity's door—if by dubious means.

The tale is involved and long, but the "meat" of the story makes for but one thing and that's a terrific battle between he and Al Szasz in the headline attraction of Don Owen's weekly wrestling show Saturday night at the armory.

Szasz, in a great display of wrestling last week, in Yakima defeated Frankie Stojack for the Coast Junlor heavyweight title.

That's what they did last week but the tale goes farther back than that. Some months ago, in Yakima, Jones, with his mean tactics, cut Szasz up so bad he had to retire for a spell. A couple of weeks ago

in Yakima he did it to Szasz again and police in that city demanded he never show there again. Szasz in his fury, has carried the match to Eugene even over-looking all title claimants or a rematch for Stojack.

Szasz says that if Jones walks out of the ring with the title he'll have to kill him first. Jones says he's been fighting here for some time and never yet has got a title crack, which may or may not be a back of the hand slap at the wrestlers and Owen. Jones swears that if the title isn't up there'll be no match. Szasz is just mad enough to do anything to get him in the ring so it'll probably be a title match although as of Tuesday it wasn't certain.

Hollywood Trainer Fades Dope Charge

HOLLYWOOD, July 13 —(AP)—Trainer Jack T. Engle Tuesday faced a second charge of racing a horse that had been stimulated when the California Horse Racing Board announced the cold Criss Cross showed traces of benzadrine.

Criss Cross won the fourth race at Hollywood Park June 30 while being trained by Engle. The horse paid \$10.90 on a \$2 ticket.

Engle was automatically suspended July 1 after chemical tests showed another, colt, Fractured, had been stimulated.

Both horses were owned by Robert S. Howard although Criss Cross was claimed by Arcadia stable after her winning race. The wealthy sportsman expressed the fullest confidence that Engle was innocent.

Engle said he was dumbfounded by the discovery and had no knowledge the horses had been stimulated. He will be given a hearing later by the state racing board.

Ghosts Knock Over Springfield, 6-2

SPRINGFIELD, July 13 — The famed Iowa Ghosts defeated the Springfield All-Stars, 6-2, on the Springfield High field Monday night in a feature exhibition contest.

The Ghosts netted two runs in the first inning, and then took two extra-base knocks to get three more tallies. Babe Favor's three-bagger in the fifth netted one run, while Fat Boy Mitchell hit another three-base knock with two on base in the sixth.

Wade Cowan scored both Springfield runs. In the fifth, he doubled, but came all the way home as the Ghosts mishandled the ball. Cowan's triple and an error produced the final All-Star tally in the seventh.

Movement Afoot to Place Dodds on Team

LOS ANGELES, July 12 —(AP)—Gil Dodds, ace U. S. middle distance runner, will be a member of the American Olympic team, if the Los Angeles Football Writers Association has anything to say about it.

The association, in a resolution forwarded Monday to the U. S. Olympic Committee, urged that Dodds be taken along as an alternate.

The Flying Parson pulled a tendon, which prevented his competing in the final Olympic tryouts at Evanston, Ill., over the weekend. Most experts considered him a clinch to capture the 1500-meter race.

The grid writers pointed out there is plenty of precedent for naming Dodds an alternate, recalling that boxing and weight-lifting squads always take alternates.

Lost: one girl. Found: one home

Time doesn't wait, they say. And neither do homes for rent. That's why this young lady was almost in tears when she came in. Her husband had discovered a "For Rent" sign and she was rushing to meet him there. But *where?* "There is no such street," she said, waving the address. "Or at least I can't find it."

It took me a couple of minutes to quiet her down and only half the time to locate the street on one of my Shell maps. I marked it out for her and off she went—just within the speed limit.

Couldn't have taken them long to sign the lease, for she and he were back so fast. The lady was so busy beaming, she could only say "Thanks."

Gosh, that's what she says every time she comes in now. And, I've got the answer: Service is my business.
