Family Reunion Slated for Sunday at Perkins Point

The annual reunion of the Inman-Hinton-Richardson families will be held Sunday, July 25, at Perkins Point on Route F, where the Franklin Grange has established a public park. All friends and relatives are urged to attend.

Due to the picnic of last year having been on a rainy day, no business meeting was held, nor officers elected. An election will be held this year. It is planned. Many out-of-town guests are expected to attend.

Any wishing information may telephone Mrs. John M. Jeans, 12637.

Legs Need Time To Tan in Sun

BY ALICIA HART
NEA Staff Writer

Do your hard-to-tan legs suffer in comparison with those of other young girls whose underpinnings quickly acquire coppery skin tones?

Try leaving your legs out in the sun for longer periods of time. To keep sensitive face and shoulders from becoming a burnt sacrifice to this beauty objective, shade these uppers with a big hat or towel while harder nethers are exposed.

Although skin on legs may be tougher than that on face and shoulders, there's a limit to the amount of sun that underpinnings can take. So be careful about over-doing the exposure. Best procedure is to leave legs out for five minutes only the first day, a little longer the next. Gradually increase the amount of exposure.

If you're using leg make-up to fake a tan until you can acquire the real thing, leave off this covering for your sun baths. Make-up often acts as a sun-screen that delays tanning.

Many girls who find that their legs are slow to take a tan report that they've been able to speed up the process by filming on vinegar or witch hazel before they go out into the sun.

Always turn a broom when sweeping so that the bristles wear evenly.

... Because they got your clothes really clean ...

Few Changes Seen In Styles For Fall

New York designers are being as secretive as Bluebeards. They're keeping doors locked on new fall styles, prior to the opening of official press showings next week. But a sneak peek through keyholes gives a capsule lowdown on trends.

Moderately flared skirts, plunged to about 11 inches from the floor, look good through the keyhole. High collars or notched lapel necklines will once again be mobish. Collars will range in size and shape from the wide wingtype to the straight, upstanding mandarin versions. High, round and tiny collars with small bow ties in front will be smartly conservative on frocks for every woman, be she tailored or feminine.

Taper New Togs To Slim Figure

BY ALICIA HART
NEA Staff Writer

Dare to taper out the too-ample fullness in "new look" clothes, if you think that slimmer lines would yield you more figure flattery.

Plenty of women, particularly those with mature figures, are taking liberties with The Look and with good results. The results are usually a more modified flare of skirt when excess fullness has been cut out at the side and back seams. Sometimes excessive fullness is also taken out of the peplum of a dress or jacket.

Another liberty you can take with The Look, if you miss the shoulder padding which has been taken out of your particular dress or suit, is to put it back in. Big chunky pads, of course, are to be avoided, because their use can make your new dress look outmoded. But a discreet bit of padding used to give too-sloping shoulders a needed "lift" is entirely in order. If used with discretion, pads are not apt to throw a garment out of kilter.

Neighbors Honor Past Oracles

Twenty-two Past Oracles were presented handkerchief corsages at the Royal Neighbors of America meeting recently. Fourteen were Past Oracles of the Eugene lodge, and eight were members of out-of-state lodges, having transferred to Eugene. In charge of the honoring of the Oracles was Mrs. Howard Fenner, Mrs. C. Foster, and Mrs. Roy Miller.

It was voted upon to have a bazaar in the fall, and committees for the affair are being planned.

The 1946-47 lemon crop is slightly larger than that of a year before.

DAUGHTER VISITS

Here for a few weeks stay, Mrs. John Crews of Columbia, South Carolina, is visiting her mother, Mrs. Amos Wilkins, and other relatives and friends.

Prunes and peanut butter make a sandwich filling to put into the school lunch box.

When the fruit has been soaked until soft, remove the pits, and grind the prunes. Mix the pulp with peanut butter. Chopped raw apples, chopped nuts, and other dried fruits add rich flavor to this combination.

AN UTTERLY NEW KIND OF COMPLEXION CARE

For face, hands, neck and arms. Try it for just five days and see what it does for your dry skin and complexion.

For a night or morning cleansing, apply Pearls in Wine (Transforming) Combination Cream liberally. Massage for a minute or two. Wash off with plain cold water. Dry. Use no soap while making this test.

For lubricating the skin at night, after cleansing apply a small amount of cream and allow it to remain. In the morning apply a small amount of cream and remove for a powder base.

One remarkable ingredient in Pearls in Wine Combination Cream gives it its unusual cleansing properties, far beyond that of soap and water. Another ingredient helps to velvetize the skin surface.

Sold only in drug stores \$1.00 plus tax for a generous jar

Rose Society Elects Officers For New Year

The next meeting of the society will be in the fall, and members will be notified of the date and time.

Relatives Come To Griswold Home

Mrs. R. E. Griswold has been enjoying a visit from two of her daughters, who came up from California a week ago with their husbands and children. Mr. and Mrs. Allen Cox (Ruth Griswold) and son, James, seven, are from Selton, Calif., and Mr. and Mrs. George Boldgett (Dorothy Griswold) Linda, six, and son Gerald, four, are from San Francisco.

A third sister, Mrs. Milo Marlett (Alice) lives in Eugene, and has two sons, Gordon, eleven, and Jerry five. The entire family group spent a week at Nelscott, on the coast. The Coxes planned to leave Wednesday or their home, but the Boldgetts will remain for another two weeks. Mrs. Griswold will accompany them on a trip to Portland to visit old friends.

Vanishing Cologne Is No Mystery

BY ALICIA HART
NEA Staff Writer

The mystery of the vanishing cologne can be solved by the girl-sleuth who watches to see what her pop uses after he shaves.

If your dad has discovered that cologne is soothing to a razor-scraped skin, you may be sure that it is O.K. to use the cooling, fragrant stuff as your after-leg-shave lotion. Cologne used for a rubdown also helps to relieve hot-weather discomfort.

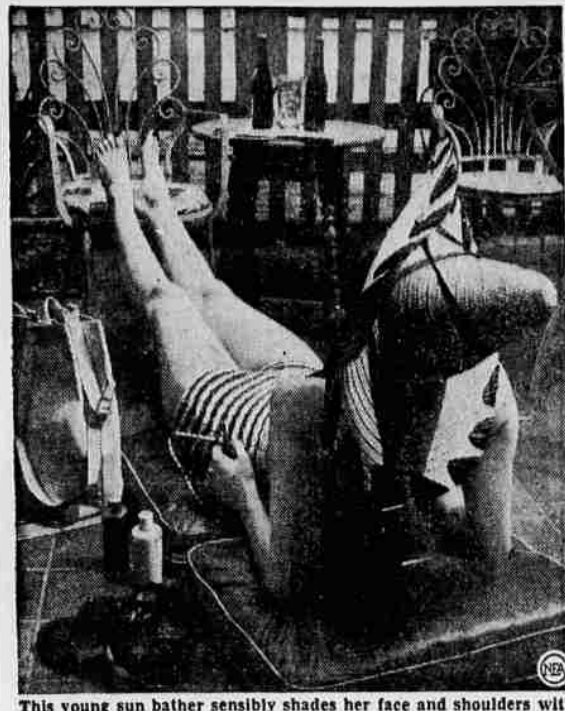

While you are slapping cologne on your legs, carry its refreshing effect down to your toes. Rub it on your feet with brisk action, and see how much more responsive they are to hot-weather demands.

MRS. ERNEST BRADT HONORED BY FRIENDS AT COTTAGE GROVE

A recent pink and blue shower honored Mrs. Ernest Bradt. The party was given at the home of Mrs. Sherman Goodrich, with Mrs. Warren Smith as co-hostess. Following the opening of the gifts, refreshments were served to twenty-eight guests.

RAUCH DECENDENTS TO PICNIC AUGUST 8

The date has been set for the family reunion of decedents of Emery and Frances Rauch, early Lane County pioneers. It will be August 8 at Skinner Butte Cottage, and an all day affair is planned.

This young sun bather sensibly shades her face and shoulders with a big hat while she gives hard-to-tan legs a longer exposure.
