

Monroe Fixes City Streets

MONROE — A new city ordinance was adopted at the council meeting this week which prohibits logging trucks from being driven on any of the city streets except on the highway. Any person violating the ordinance will, upon conviction, be fined not less than \$100 and not more than \$200. Extensive street improvements are underway here at this time by order of the council.

IRONER DEMONSTRATION

MISS MARY LOCKE, Factory Representative, will be with us from 1:30 to 3:30 Monday Afternoon, August 2nd to show operation and methods of ironing with the SPEED QUEEN IRONER. Her stay will be short but we hope you will come.

Complete your laundry WITH A NEW Speed Queen IRONER. Your home laundry is not complete without an automatic ironer. With a new Speed Queen you can do all your ironing in less than half the time — while comfortably seated. It does away with that weekly back-breaking drudgery of an ironing board. The new Speed Queen models give you everything to be had in the way of modern beauty and ironing efficiency. Each model is an outstanding value. Come in and ask for a demonstration.

Mapleton's Guild Has Civic Plans

By Marjorie Barber
MAPLETON—Mapleton Community Guild has been active in the community for nearly three years. In that time they have done much to promote better community spirit and improve existing conditions. They were responsible for a clean-up campaign last year and have instigated several road improvements. Their latest project is a playground in the area back of the Evangelical United Brethren Church. Work on this is progressing but there is still much to be done. Now the Guild has been responsible for naming several of the Mapleton streets to aid visitors and tourists.

The streets which have been named to date and which have signposts are as follows: Neeley Lane by Carver's Store, Whitaker Lane by Whitaker's Garage, Nicole Lane by the Hotel Cabins, River Avenue, the name given to the road which runs parallel to the Siuslaw River; and Hillcrest Road, the road generally known as the Cemetery Road.

Eventually all the streets will be identified. The Guild has decided to omit the August meeting, but will meet again Sept. 8. Mrs. Milton Hoff, present Guild President, invites all the Community women to attend the meetings.

Dexter Fights Canada Thistles

DEXTER — Canadian thistle control is now being checked by Mrs. Dora Glasby in the Dexter, Lion, Trent and surrounding districts.

Many ways are used by the farmer during the month of July and August to control it. Most common is the cutting of them during blooming season.

However, some farmers are using a DDT solution with a pressure spray gun, while others cultivate the soil and tear out the roots.

Which ever way one combats this pest, it proves one of the hardest farmers enemies one has to deal with.

Only patience and ever working at it can destroy and clean up ones field after it gets a start.

Clifford Warner, son Buddy and Bill Scott and cousin Norman Hill of Syracuse Kansas arrived Wednesday to visit with the Warner and Stevens families.

Warner and daughter Patty and two small sons will return with them after spending the past two months in Oregon.

"Referee Light" Need Seen at Four Corners To Check Traffic Jams

BETHEL — As we grow as a community there are always those new problems to meet.

Here we have a desperate need for a light signal at the Four Corner junction. It has been said there have been four deaths resulting from accidents there already.

To get on to the highway or across, one has to wait and wait. Just about everyone has grumbled "sure need a light here."

Several business men have said they would gladly donate towards getting the light signal. Now the question is, "What to do?" Are we going to have to wait until there are more deaths before this safety measure is effected?

Crow to Have New Church Building

CROW — This community is looking forward to a little church house which will be built this fall. The Bible Standard church has bought a small tract of land from Joseph Gates adjoining the ground where the new grange hall will be built. Mark Matney who is pastor of the church held in the grange hall and those who conduct the Sunday school at Crow now, are the persons who will build the church.
