

'Soldiers' Game Fatal To Baby In Newport

NEWPORT —(P)— Authorities reported Thursday a game of "soldiers" was fatal to an 18-month-old girl and left two small boys wounded by shotgun pellets. Coroner Franklin Parker said Mr. and Mrs. Hiram E. Trenary were away from home when their daughter, Nancy, 7, climbed to a cupboard shelf to get shells for the .410-gauge gun and loaded it. The child's baby sister, Sheryl Ann, was killed. A brother, Larry, 6, and a playmate Michael Darch, 5, were wounded. The boys are not critically hurt, police said.

Through Street Plan Backed By Springfield Chamber Group

SPRINGFIELD — A request for completion of a roadway through one block to connect E St. and Paramount Drive and provide another through street for Springfield was being prepared Thursday by Chamber of Commerce President Marvin Sanders.

The resolution, calling for a formal letter to Mayor Claude Gerlach and the city council, was passed with little debate at a directors' meeting Wednesday.

Approval was also given to the report of the membership commit-

tee: 33 new members have joined the Chamber since the store-to-store letter campaign began Aug. 2. Action on the Chamber's new seven-point civic improvement campaign will be confined to research into details until the completion of the membership drive and the arrival of newly-appointed Manager Lew Garbutt.

New Manager

Garbutt, assistant manager of the Walla Walla, Wash., Chamber, is scheduled for arrival shortly after Sept. 1.

Present for the directors' meeting were President Marvin Sanders, William Haggerty, Guy Wright, Fred Buell, Lester Hill, W. K. Barnell, William Marshall, Al Knapp, Elmer Maxey and Mayor Gerlach.

COMBINED SCHOOL BOARDS

A combined meeting of the Hadleyville, Crow, Vaughn and Wolf Creek school boards will be at the Crow High school Tuesday, Aug. 17, at 7:45 p. m.

Any persons interested in the meeting are invited to attend. Mrs. Lucille Klinge, county school superintendent, will be present.

False Arrest Suit on File

Everett L. McDougall Thursday filed a suit for false arrest in which he seeks a total of \$25,795 and costs against Garner Smith and the Eugene Lumber Co.

In his complaint, McDougall says that Smith falsely accused him of theft from the lumber company, had him jailed and arraigned in district court.

McDougall's suit seeks \$15,000 general damages, \$10,000 punitive damages, and \$795 special damages alleged suffered when the defendants held his house trailer for some three months.

The suit is the second to be filed after the arrest last Sept. 6, of McDougall and Lester Manley. Manley's suit, filed April 27, seeks \$20,075.

Charges against both men were dismissed for lack of evidence.

'Meatball' Rests Case In L.A. Treason Trial

LOS ANGELES —(UP)—Tomoya (The Meatball) Kawakita rested his defense Thursday as his federal treason case entered its final stages.

The 26-year-old Nisei Wednesday generally denied that he mistreated American war prisoners at the Oeyama Prison camp in Japan. Kawakita said he felt no loyalty

to the United States when he swore an oath of allegiance to this country in 1945. He later revised his testimony and said he resumed his allegiance to the United States when he took the oath.

The Calexico-born former interpreter testified he believed he was a Japanese citizen when employed in the prison.

The United States rents, does not own, the land surrounding the Panama Canal.

Light Construction Increases On Coast

PORTLAND —(P)— There was more light construction started in Western States during July of this year than in the same month a year ago, the trade journal Western Building reports.

A survey of 224 cities and counties shows 33,258 permits valued at \$112,336,664. The figure a year ago was 32,124 permits valued at \$85,152,143.

Forest Service Lists Two Big Timber Sales

PORTLAND —(P)— Two timber auctions involving 48,889,000 board feet of timber were announced Thursday by the U. S. Forest Service.

A sale at Grants Pass Aug. 11 will offer 33,964,000 feet of the Johnson Creek area of the Siskiyou forest. The other involved 12,925,000 feet in the Hood forest.
