YOU MAY NEED EARMPUFFS!
FOR USED car satisfaction - and who doesn't want it? A shopper must con-
centrate so thoroughly on points that matter, that he forgets to bargain to the chorus of "bargain, bargain!" He must forget price tags for a moment and examine the car carefully. He must get full information about the dealer's reputation - and choose a dealer with a reputation for honesty. He must know more than mere folks are coming to Walter Hoey Motors, Inc. for their used cars.
