Creswell Eyes Rural Fires

CRESWELL—Once more Creswell was reminded of the necessity of Rural Fire District protection when fire at the Joe Garske property north of town destroyed three cabins this week.

The city fire truck was called to the blaze, thus leaving the city without any protection while the truck was gone.

If a Rural Fire District were established here the city would have more equipment and be protected at all times.

The boys arrived in the nick of time and saved the residence of the Garskes but the three cabins were a total loss and were not insured. It is believed the fire was started by an overheated stove in one cabin. All were occupied.
