### Oregon Issues Summarized

SALEM, Ore.—(U.P.)—The fate of 10 state-wide issues will be decided by Oregon voters when they go to the polls in the general election, Nov. 2.

### Amend Constitution

Two of the referendum measures would amend the state constitution. They would:  
1. Permit the state to issue \$10,000,000 in bonds for reforestation and authorize a property levy outside the constitutional six per cent limit to finance the bonds.  
2. Change the six per cent limitation section so that cities, counties and districts can establish new tax bases after voters have authorized tax levies in excess of limit for two successive years.

### Boys Camp

The other measure referred to the lawmakers would establish a boys camp for 12 to 18 year old delinquents and appropriate \$50,000 to set up operations and \$100,000 to run the camp during the biennium.

### Fliers 'Home for Xmas'

FULLERTON, Calif. — (AP) — "We'll be home for Christmas," said Dick Reidel and Bill Barris as they took off Tuesday night in a single-engine cabin plane in search of a new endurance flight record.
