

New Record Ban Junked Soon

NEW YORK — (AP) — The 10-month-old Petrillo order preventing the bulk of the country's musicians from making new phonograph recordings is about to be junked.

As a result, a backlog of hit tunes written since the first of the year will be available to the public on discs for the first time. The new records may be on store shelves within two weeks after the ban is lifted.

Texas Member Of House Dies

WASHINGTON — (AP) — Rep. Milton H. West of Texas died Thursday. He was 60 years old.

West had served in the House since April, 1938. A Democrat, he succeeded John Nance Garner when the latter became vice-president.

Gilbert to Tell Chamber Of State Ballot Issues

Dr. James E. Gilbert, former dean of the College of Liberal Arts at the University of Oregon, will lead a Chamber of Commerce Forum Friday noon on state ballot measures.

Dr. Gilbert has been active for many years in civic and state affairs and the Chamber believes him to be one of the best authorities on the 11 issues which will appear in the state section of the Nov. 2 ballot.

Child Reported in Good Condition After Car Fall

Leo Genretti, Jr., age 3, son of Mr. and Mrs. Leo Genretti, Sr., 3142, was reported in good condition at Eugene Hospital Thursday after he fell from a moving car Wednesday.

The child was admitted to the hospital at 6:40 p.m. Wednesday, and was badly bruised and shaken up.

Largest Indian Reservation in New York State is Near Gowanda, Cattaraugus County

WASHINGTON — (AP) — The 10-month-old Petrillo order preventing the bulk of the country's musicians from making new phonograph recordings is about to be junked.

As a result, a backlog of hit tunes written since the first of the year will be available to the public on discs for the first time. The new records may be on store shelves within two weeks after the ban is lifted.

Most of the major companies and the AFL-American Federation of Musicians, headed by James C. Petrillo, have reached agreement on major terms of a new five-year recording contract.

A couple of hitches remain, however. One of the big four in the industry has not yet approved the agreement. And the proposed contract is subject to review by the Justice Department to make sure it complies with the Taft-Hartley Act. Industry circles were confident both obstacles would be cleared within a matter of days.

Douglas Has Error on Ballot

SALEM — (AP) — The State Elections Division Thursday advised the Douglas County clerk to go ahead and use the county's general election ballots, even though Sen. Guy Cordon's name is spelled "Gordon" on them.

Dave O'Hara, chief of the State Elections Division, said he found several court precedents for his ruling.

O'Hara said the people of Douglas County, which is Cordon's home county, would know that when they voted for "Gordon," they really were voting for Cordon. He said election judges always have instructions to register a vote for a misspelled name if they can tell for whom the vote was intended.

Lane Receives Funds For Old Age Assistance

Lane County Thursday received \$3403, fifth highest among the counties in the state, as its share of taxes on amusement devices for the quarter ending Sept. 30 according to an Associated Press report from Salem.

County Treasurer Grace Schiska said Thursday the county's share will be placed in the general fund for old age assistance purposes.

Of the \$81,219 distributed to counties, Multnomah received \$35,235 for the largest share, Marion was second with \$5253, Clackamas next with \$4751 and Jackson fourth with \$3761.

The money is distributed to the counties in proportion to the amount they spend on old age assistance.

A SWEET BEET

VALE — (AP) — A beet harvested in this area contains four pounds of sugar. The monster beet, grown by Frank Hill on land never planted to sugar beets before, weighs 25.2 pounds.

DDT Discoverer Gets Nobel Prize

STOCKHOLM — (AP) — The discoverer of DDT won the 1948 Nobel Prize for medicine Thursday night.

The Caroline Institute, the University of Medicine in Stockholm, chose Dr. Paul Mueller of Basel, Switzerland, as the winner of an award set aside for services to humanity. He will receive 159,772 crowns (about \$44,000).

One of the members of the award panel described Dr. Mueller's discovery of the insecticide DDT as one of "inestimable value for the benefit of humanity," thus reflecting the principles in the will of the late Alfred Nobel, which provided for the Nobel prizes.

Millions of allied soldiers were helped in the last war by the insect-killing dichloro-diphenyl-trichloroethane. It was used by British and American armies to prevent the spread of insect-borne diseases.

Experiment Serious

Dr. Mueller, 48, made the discovery during a series of experiments in the Basel laboratories in the Geigy Drug Industries.

Actually, after Mueller had completed his experiments it was found a German student had synthesized DDT in 1874, but did not put it to any practical use. It remained for Dr. Mueller to discover the insect-killing qualities of the compound. Thus, he is sometimes referred to as the "re-discoverer" of DDT.

How County Planning Works

(CONTINUED FROM PAGE 1)

of a city, four are being built in the fringes outside the city limits. These are a few of the reasons why the county planning commission urged the county court to put the zoning and planning measure on the ballot now.

Small Area
The areas the planning commission intends to consider comprise only two per cent of the total area in the county.

The work of the planners in preparing a development pattern for the congested fringes will be twofold. It will:

1—Entail a study of the arterial highway system in an effort to get people to and from an area with the greatest safety by protecting existing streets and roads and projecting future arterials.

2—It will control sub-divisions in an effort to provide for proper arrangement of land areas, adequate streets, sites for park and recreation areas, school locations, drainage and proper planning for sanitation and other public utility services.

If the ballot measure carries, here is how the planning commission will operate under the 1947 enabling act:

1—It will consider the most congested fringe areas first.

2—It will make an orderly development pattern for those areas. This will take hours of research, surveys of the areas involved, plus detailed maps of the plan for the area.

3—When the commission agrees on the plan it will take it to the area involved and hold public hearings to gain the views of the residents and business owners on the proposed plan. Adjustments would be made, insofar as possible, to meet the wishes of the majority of the people affected.

Two Injured Men Sue Lumber Firm

PORTLAND — (AP) — The Coos Bay Lumber Co. was sued twice in U. S. district court today on personal-injury actions asking a total of \$70,000.

Edwin Peterson, Coos Bay, who was a scaler for the company last May, alleged he suffered injuries worth \$20,000 when a speeder in which he was being transported from Eden Ridge to Powers jumped the tracks.

Leslie R. King, also of Coos Bay, a leader for the firm in August, 1947, demanded \$50,000 damages for injuries allegedly suffered when a tractor and caterpillar arch ran into him as he was setting logs into a log.

Both Peterson and King asked jury trials.

Armies Battle For North China

PEIPING — (AP) — Great armies of Nationalists and Communists pitched headlong Thursday in what may be the decisive battle for control of Manchuria and North China.

The center of operations seemed to be between the Manchurian city of Chihhsien, 125 miles above the Great Wall, and Tahushan, 65 miles north of Chihhsien.

Pro-government dispatches said the fighting there was centered west of the Peiping-Mukden railroad in the narrow corridor between Mukden and Chihhsien.

War planes from Peiping and Mukden flew to the aid of Nationalist troops.

Strikers Return To NY Buses

NEW YORK — (AP) — The city's bus strike ended Thursday when all 8500 drivers returned to their jobs with seven private lines.

The companies, whose service for 3,500,000 passengers was snarled for two days, reported that schedules were normal Thursday morning.

The striking members of the Transport Workers Union (CIO) voted by secret ballot 2014 to 566 Wednesday night to end the tie-up which started as a five-hour demonstration Tuesday in favor of higher bus fares and climaxed in a general walkout.

NEW PLANE ROUTE READIED

PORTLAND — (AP) — Hawaiian and Portland-Seattle direct scheduled air service will be inaugurated by Northwest Airlines on Dec. 1. The westbound flight will take 13 hours, 20 minutes; the eastbound trip 12 hours, 45 minutes.

POLICE ALERTED

SPRINGFIELD — The entire police force will be on duty Sunday on the alert for Halloween activities disrupting the peace.

Chief of Police Clell Pryor called out the force to keep Halloween pranks and celebrating to a minimum "without spoiling reasonable fun."

Police Total Violations

SALEM — (AP) — State police arrested 3446 persons during September for violating motor vehicle laws, and they warned 8901 others.

Fines and sentences for these offenses totaled \$28,174 and 3295 days in jail.

There were 77 arrests for drunken driving, fines and sentences totaling \$8120 and 1895 days in jail.

In the general law enforcement field, the officers arrested 397 persons. Fines and sentences totaled \$4918 and 107 years in prison.

The officers also arrested 217 persons for violating game laws and 14 for violating commercial fishing laws.

Parker Pen People Show Sales Movies

All local dealers and sales people connected with the Parker Pen Co. have been invited to attend a sales training film at the Eugene Hotel Thursday from 7:30 to 9:30 p.m.

The movies will be shown in the east dining room, and will not be public.

Courtesy to customers during the Christmas season will be stressed.

Natives of Timbuctu put roosting posts on minarets to serve as resting places for returning spirits of dead relatives and friends.

UO Anthropology Head Attends Meeting at Cal.

Dr. L. S. Cressman, head of the University of Oregon department of anthropology, is in Berkeley this week to attend a committee meeting of the Pacific Division of the American Association for the Advancement of Science at the University of California.

Dr. Cressman is Pacific Division president. The meeting is held to plan for the annual AAAS convention in British Columbia, scheduled for the current school year.

While in Berkeley, Dr. Cressman will confer with anthropologists at U. of C. regarding Oregon's Klamath Lake research projects. Under the research a study is being made of early American Indian habitation sites in the Klamath Lake region.

Saturday is Deadline For Tax Payments

SPRINGFIELD — Saturday noon is the deadline for payment of delinquent assessments on property improvement before the city takes foreclosure steps.

City Recorder K. R. Gile said Thursday the foreclosure list is already made up and property owners who answer the notification letters with payment before Saturday will have their names scratched from the list.

Monday the names go to City Attorney Marvin O. Sanders for verification prior to publication. City action on foreclosure will then be undertaken on all delinquent property.

Creswell Girl Wins Journey to Chicago

Margaret Walker, Creswell, has been named as one of 11 Oregon 4-H Club members to win an expense-paid trip to the National Club Congress in Chicago.

Thirty-four members were selected as state winners in 24 major contests conducted nationally by the National Committee on Boys and Girls Club Work. Barbara Bloom, Eugene, was winner in the frozen foods division.

Jaycees Climax Drive With Friday Dance

SPRINGFIELD — The Junior Chamber of Commerce will climax its fall membership drive Friday night by honoring all new members at a dance at The Playgrounds.

Jayceettes are assisting Dick Brewster, program chairman, with arrangements for the affair. All Jaycees and their partners are invited. The competitive campaign netted a 35 per cent increase in membership.

Pawnbrokers were operating in Chicago 2000 years ago.

What A Big To Hear A

Thursday at 12:45 p.m. a gush a blaze caused heated oil stove. No reported.

WITH THE NEW TYPE Beltone ONE-UNIT HEAR Forget old-style hearing Unit Beltone. It's the new type. No more battery packs. No more hollow undertones. "Hear" say how much better. Supply, you can now see S. C. Mitchell 305 100F Bldg. Mr. Mitchell is with Associates of Portland. He has been serving the hearing since 1924.

FIRE CALL ANSWERED

SPRINGFIELD — Firefighters answered a call to the home of J. H. Arnold, 396 South D St.,

To the Voters of Eugene . . . THE BYERS' STORY

Those citizens of Eugene who are familiar with business development upon Franklin Boulevard know full well that the north side of Franklin Boulevard is heavily commercialized, and a very casual study of any developments on the south side of Franklin will show that in the very near future that side of Franklin Boulevard will also be heavily commercialized.

In light of this apparent development, it is difficult to understand the statement made by opposition to Ordinance No. 9125 in the Eugene Voters' Pamphlet on Page 5, which infers that Franklin Boulevard is slated to commercial development. The apparent purpose of this statement was to mislead the voters into believing that Mr. Henry Byers was asking for a classification unknown to Franklin Boulevard.

The records in the City Hall of Eugene will clearly show that property on the south side of Franklin Boulevard from THE INTERSECTION OF THIRTEENTH TO WALNUT STREET HAS ALL BEEN RECLASSIFIED TO BUSINESS USE SINCE THE FIRST PETITION OF HENRY BYERS TO RECLASSIFY HIS PROPERTY, AS WELL AS THE BALZHER PROPERTY ACROSS FRANKLIN BOULEVARD FROM THE HENRY BYERS PROPERTY. These records show the obvious intent of the Eugene Planning Commission and the City Council to make both sides of Franklin Boulevard, in its entirety, a commercial area.

There is at the present time a petition for the reclassification to business use pending by Lynn V. Norman, the owner of property abutting on the east side of the Henry Byers property, and final action on this petition is awaiting the outcome of the Byers referendum.

IS THE HENRY BYERS PROPERTY THE ONLY PROPERTY WHICH SHOULD BE LEFT IN SINGLE FAMILY RESIDENCE? We submit a fair answer to this question would be NO! Mr. Byers did not buy this property blindly, but only after full investigation with the Eugene City officials and the State

VOTE 500 x YES AFFIRM ORDINANCE NO. 9125

Pat. Adv. by Hale G. Thompson, Chm. Approve Ord. No. 9125

V. "Ed" JOHNSON for MAYOR

A friendly, open-minded candidate for a better town in which to live.

Johnson for Mayor Comm. Ph. Adv. Phil Nordling, Chm.

From where I sit... by Joe Marsh

Want To Join Our Club?

Newcomers to our town are posed when they hear talk of "The Barbecue Club." Want to know who can join, and what the purpose is.

Well, the answer is: any one can join who's neighborly inclined. The purpose is simply to enjoy good food, good beer and ale, good conversation—all towards getting to know one another better.

Every other Saturday, at one farm or another, the pit is dug, and the fire started. And by sundown, neighbors from miles around have come together—the women

contributing cakes, pies, and coffee, the men contributing the meat for barbecuing, and the beer or ale.

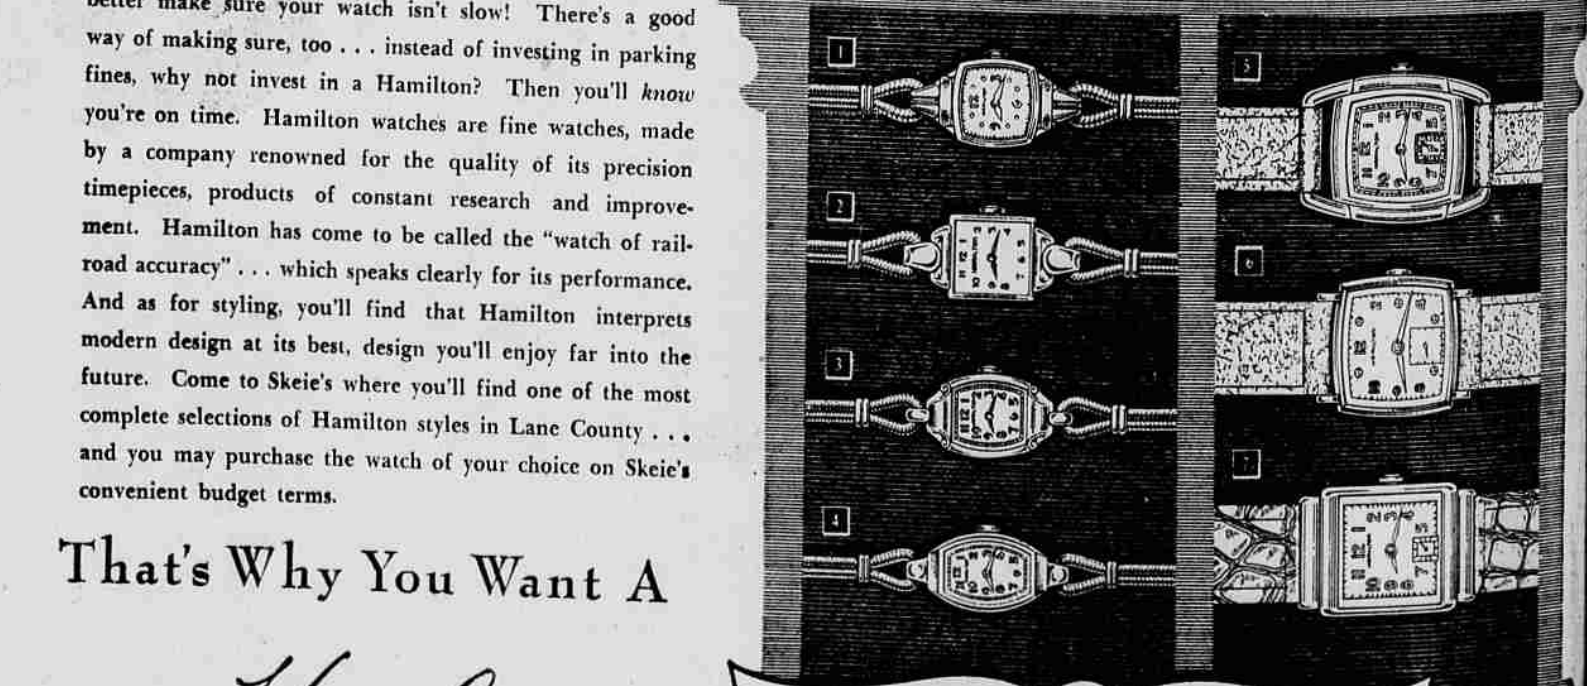

From where I sit, it's this simple wholesome side of country life in America—its spirit of good-fellowship—that makes for tolerance and better understanding between neighbors.

As I say, Neighbor, any one can join up! So come along a week from this Saturday.

Joe Marsh

"If it comes from Skeie's it must be good" There's a Penalty for OVERTIME, You Know

Can't change a parking meter's mind, no matter how much you threaten or argue! You'll have to pay the fine now, but next time you're counting those parking minutes better make sure your watch isn't slow! There's a good way of making sure, too . . . instead of investing in parking fines, why not invest in a Hamilton? Then you'll know you're on time. Hamilton watches are fine watches, made by a company renowned for the quality of its precision timepieces, products of constant research and improvement. Hamilton has come to be called the "watch of railroad accuracy" . . . which speaks clearly for its performance. And as for styling, you'll find that Hamilton interprets modern design at its best, design you'll enjoy far into the future. Come to Skeie's where you'll find one of the most complete selections of Hamilton styles in Lane County . . . and you may purchase the watch of your choice on Skeie's convenient budget terms.

That's Why You Want A Hamilton

You may charge it, or pay 5.00 first payment, then 5.00 per month on the balance

1. OLIVIA • Lady's 17-jewel Hamilton wrist watch. 52.25 2. AGNES • Lady's 17-jewel Hamilton wrist watch. 55.00 3. OLGA • Lady's 17-jewel Hamilton wrist watch. 60.50 4. SUSAN • Lady's 17-jewel Hamilton 14K Gold case. 71.50 5. DODSON • Man's 17-jewel Hamilton strap watch. 18K applied gold numeral dial. 52.25 6. DYSON • Man's 17-jewel Hamilton strap watch. 18K applied gold numeral dial. 60.50 7. HAYDEN • Man's 10-jewel Hamilton strap watch. 18K applied gold numeral dial. 71.50
