

ween Dance
Friday

will be celebrated at
Friday, October
Junior High and Sky-
line Club members will attend

The orchestra is donating its time as part of the program of the Musicians Union this year to make dances with orchestras possible for teen age boys and girls.
The Junior High School members will start dancing at 7:00 p.m. and leave the hall by 10:00. Skyline Club members will attend the dance from 10:30 to 12:00 after the Eugene High-University High football game.
Unlike whitetail deer, elk are gregarious and migrate in large herds. They are curious animals and will approach any strange, motionless object.
