**Rosemary is Topic
For Herb Group
Of Garden Club**

"Take thee Rosemary and smell
it often, for it will preserve thy
youth and make thee beautiful,"
said an old herbalist, writing in
the year 1525. The saying was
quoted by Mrs. R. E. Busey, at
the beginning of her paper on the
"Romance of Rosemary," given at
the meeting of the Herb Group
of Eugene Garden Club, in the
home of Mrs. R. E. Buck,
Tuesday afternoon. Mrs. Busey
paused reading the above, long
enough to pass out to those pres-
ent small nosegays of herbs, con-
taining sprays of rosemary, urg-

ing them all to begin smelling at
once!

Pliny called rosemary "Dew of
the Sea." The speaker mentioned
that as a plant it is more than
an herb, being a handsome shrub,
either trimmed or left to grow
naturally. It is an evergreen and
loaded with blue flowers in the
summer. It is considered of
special importance at Christmas
time. The tea is said to be sooth-
ing and rejuvenating. Mrs. Busey's
paper will become a part of the
group's records.

Refreshments featuring herbs
were served by the hostess assist-
ed by Mrs. L. L. Erdman, chair-
