

## Stassen Leading Republicans Party Leadership Scramble

WASHINGTON — (AP) — A Youngdahl of Minnesota and Frank Carlson of Kansas, while most of the new crop of Republican hopefuls hold public office, Stassen has perhaps as good a forum as any of them in his presidency of the University of Pennsylvania. His understanding with the university is that he is to have a free hand to engage in politics.

Stassen's appeal to many Republicans lies largely in their belief that he has widespread influence among younger voters. It was this asset, more than any other, which was said to have led Dewey to forget some of Stassen's pre-convention cracks and invite his former opponent to take an active part in the campaign.

Most ceramic floor tiles are unglazed and are fired at a temperature of more than 2200 degrees Fahrenheit so that they will withstand hard abrasive wear.

Some of these is a standpoint for the Republican presidential nomination in distant future.

Some of the Republicans who have caught wind after the surprise given them by the Democrats are beginning to look out the formal congressional ship.

Some of the Republicans who might be seen now as available for one top spot on the ticket four years hence include Alfred E. Smith of New Jersey, Ernest W. of Vermont, Luther W.
