

CITY NEWS NOTES

"Lower Depths"—a story about a group of social outcasts in 19th century Moscow, will be the feature picture during free movie night, Wednesday at 7 p. m. in Room 207 Chapman Hall at the University of Oregon. The main picture is a French movie with English sub-titles. To illustrate the difference in dramatic handling, a Russian version of the same movie will be shown.

SPRINGFIELD—W. J. Osburn, Glenwood, pleading guilty to a charge of driving while under the influence of liquor, was fined \$175 and had his driver's license suspended for one year in Municipal Court Friday evening.

I SAW several robins come and eat berries from branches put in my porch box. They are so hungry. The smaller birds like bread scraps, chick feed and small grain from feed stores.—H.L.

Fa-Si Li, research fellow in chemistry at the University of Oregon, will discuss "Monolayers" at a departmental seminar at 4 p. m. in Room 105, McClure Hall on the university campus.

The Lutheran Student Assn. of the University of Oregon meets at 1376 Alder St., at 5:30 p. m. Sunday. Supper will be served. Speaker will be the Rev. A. N. Eggen from the Sunset Home in Eugene.

Major Karl A. von Voigtlander, Eugene, who recently reentered active duty with the U. S. Army, is now stationed in Japan as an executive officer at Headquarters Squadron of the Fifth Cavalry Brigade. He was employed in Eugene by the Water Board, and during 1947 served as president of the Lane County Chapter of the Reserve Officers Assn. His wife and daughters expect to join him in Japan this spring.

Master Sgt. Edward H. Rowley, 667 Sixth Ave. W., has reenlisted in the Regular Army for a term of three years at Brooke General Hospital, Fort Sam Houston, Texas, where he is assigned as a meat and dairy technician. He has a prior service of five years and 11 months.

Sons of Union Veterans are planning a stag party and "chili bean feed" Monday at 7 p. m. at Veterans Memorial Building. This is for members and non eligible to membership, which includes anyone who is a son or grandson of any soldier or nurse serving in the northern army in the Civil War.

Frederick K. Davis and Dr. W. E. Buchanan accompanied Department Commander John H. Starr of the Sons of Union Veterans of the Civil War on a visit to the Salem Camp of that order Wednesday evening, where newly-elected officers were installed. A candidate also was given the degree.

Donald H. Lutes, senior in architecture at the University of Oregon, was awarded \$50 honorable mention prize in the recent Kentile-Architectural Forum design competition. Lutes, whose home in San Diego, Cal., resides in Eugene at 1915 Hilyard.

Members of Retail Clerks Union 201 will hold a meeting at 8 p. m. Sunday at 507 Willamette St. Officials said the meeting is urgent and members should make a special effort to attend.

Two Eugene students were among the newly-initiated members of the university chapter of Scabbard and Blade, national men's military honorary. The Eugene students are Arthur Johnson and Quintin Martinez.

Films of the Oregon-Michigan football game will be shown at 7:30 p. m. Tuesday at the Recreation Center, 20th and Washington streets. Films of the Oregon-UCLA game will be shown there Feb. 15.

William Percell of Eugene has been elected to the offices of executive secretary and sergeant at arms of his fraternity, Tau Delta Sigma, at Linfield College, McMinnville.

Pfc. Carlton C. Aubin, Star Rt. Marcola, has been graduated from basic training course at Sheppard Air Force Base, Wichita Falls, Texas. He is 18, a graduate of Mohawk Union High School, and the son of Mr. and Mrs. Edward Aubin, Star Rt. Marcola.

Pfc. Leonard M. Gardner, Springfield, son of Mr. and Mrs. Max E. Gardner, was recently promoted to the grade of corporal. He has been on Guam since May, 1948.

Notification of appointment to a standing committee on public relations for the Oregon section of the American Chemical Society was received this week by Dr. F. J. Reithel, assistant professor of chemistry at the University of Oregon.

City firemen were called to 1458 22nd Ave. E. Friday at 7:05 p. m. to check a flooded oil stove, and Saturday at 5:01 a. m. to the Northwest Cities Co. gas plant at Eighth and Hilyard to avert another fire threat. Neither alarm resulted in property damage.

City bicycle license plates for 1949 have not yet arrived from the manufacturer, police reported Saturday. Annual licensing of all bicycles in the city is, however, required by ordinance, and the 25-cent tags will be placed on sale at police headquarters as soon as they are received.

There will be a Theosophical lecture at the WOW Hall Sunday at 3 p. m. with Martyn Witter of Gresham as speaker. No subject announced.

Pfc. Arthur R. Blackman, 20, son of Mr. and Mrs. D. C. Blackman, Springfield, has reported to Keesler Field, Miss., to begin training in the airplane and engine mechanics school located there.

POWER PLANT

that uses its Head!

THIS is the husky thrill-producer you find filling the bonnet of any 1949 Buick.

Look it over and you'll observe, among other things, that it is a valve-in-head straight-eight.

In simple language, this means that years ago Buick engineers lifted the valves from the side of the cylinder and put them on top—with some immediate advantages.

Such an engine "breathes" better. Gets a full, even charge on every intake—exhausts spent gases more easily—enjoys extra power, life and ginger.

And in such engines, compression ratios are relatively easy to establish. To step them up, the head is merely brought closer to the piston—no extra problems are presented getting fuel in and exhaust out.

Thus Buick power can—and has—kept pace with progress in fuels. Compression ratios suit gasolines actually available—and there's no

waiting for tomorrow's gasolines to get full performance.

There are other things to notice about this engine.

It's a Fireball power plant—uses a special and exclusive type of piston that gets more good out of each fuel charge.

And it speaks with soft, new quiet. Self-setting valve lifters automatically keep valves properly seated, ending tappet noises for good.

With gasolines getting better, the swing to valve-in-head design will undoubtedly grow stronger. But that is what Buick has had all along—a power plant that uses its head to give extra lift and thrill.

That's enough reason to see your Buick dealer now, with or without a car to trade, to get your order in.
