

Academy Boys Change Ways

TARRYTOWN, N. Y. — (AP) — Charity, the boys at Hackley decided, should not always begin at home.

Sometimes, they reasoned, it should start with boys away at school.

Every year the students at the Hackley College Preparatory School for Boys are called upon to contribute to the Red Cross, Community Chest and other regular charities. This most of them did, simply by writing home to pop for the money.

This year, however, some of the students decided they would create a little philanthropy all on their own. Their goal was to supply two-week vacations for 25 under-privileged boys from Tarrytown.

The Hackley boys who range in age from 12 to 18, raised almost \$1400, without once ever writing home for help.

They did it by collecting \$310 at their own Sunday vesper services, by staging a benefit concert which netted \$650, by running a track meet and concession stands which brought \$175 and by hitting up the local Rotary Club for \$200.

Late in June the 25 Tarrytown boys began their vacations at a camp on the Hackley campus which was supervised and operated by 10 student-counselors. All the Hackley facilities were thrown open to the visitors — swimming, baseball, track, tennis, gym, and riding stables.

Wild Navy Oats Reaped by Razor

SAN FRANCISCO — (AP) — A dashing former Navy lieutenant who tried to snatch a bundle of love letters from an old girl friend in downtown San Francisco found himself considerably cut by a slashing razor blade.

The victim of the attack later told the police he was married and had three children. He wanted the file of letters, all that remained from a lusty war-time romance, for security purposes.

The girl was booked on suspicion of assault with a deadly weapon, but she hung on to her be-ribboned packet.

Government Party Gains in Mexico

MEXICO CITY — (AP) — President Miguel Aleman's government party, PRI, Tuesday claimed an overwhelming majority of the 147 seats in the chambers of deputies on the basis of its own unofficial returns from Sunday's elections.

The PRI said it took 10 and probably 11 of the seats representing Mexico City and nearby towns. It admitted the loss of only one congressional post in the capital and said that the vote count was so close in another district that it could not be sure yet.

The chief opposition party, National Action, said it definitely won four posts, two seats from Michoacan, one from Aguascalientes and one from Queretaro states, in addition to that from the federal district.
