

Old School Picnic For Lower McKenzie

DEERHORN—Plans are under way for the annual reunion picnic sponsored by the members of the old McKenzie Union High School which flourished in the days before the children of this valley, from Leaburg down, went to Springfield.

All students, teachers, board members, clerks, and their friends are welcome to attend the affair which will be held at the Leaburg Dam Park, Sunday, Aug. 7.

The ice cream and coffee will be furnished by the organized group. A picnic luncheon with each family bringing its own basket of food and table service, will be followed by a business session with Mrs. Harold Robinson, art supervisor of Portland, presiding. Mrs. Robinson, the former Beas Fountain, was graduated in the second year the school operated.

While reminders have been sent to many students and persons who have registered at one of the three former annual picnics, the committee hopes that many others will attend this year, for everyone who wishes to come is welcome.

If it should be too rainy or wet to go to the Leaburg Dam, the picnic will be held in the Rebekah Hall, at Wallerville, where the school was once housed.

College Cresters Painting Markers

COLLEGE CREST — The College Crest Community Club held an extra-session meeting recently, to discuss the naming and numbering of streets and houses in this district.

It was pointed out that each street must petition the county court to make a name change if

such is the wish of the city living on that street. A committee was appointed to work out a suitable numbering system. The committee will meet in the club rooms on Tuesday afternoon at the club house. Anyone wishing to help signs is welcome any time after the meeting. — "Thanks" were extended to the committee for furnishing the cross-street signs.
