Tom Powers, superintendent of the district.

Powers said the rules, approved by the board of education, were made necessary because of increased public demand for use of school buildings after school hours. By establishing a definite policy, he said, the board hopes to treat all groups equally.

School functions will have precedence over all other meetings, but the use of school rooms and facilities by the public of District No. 52 is permitted for educational, philanthropic, civic, musical, or social meetings intended to promote the public welfare and not conflicting with the regular school program.

The board has established the following rates for use of schools: elementary school gym, \$5; high school gym, \$15; school kitchens, \$2; and other rooms, \$2.

Application for use of school facilities shall be made on a form which may be obtained at the office of the school superintendent and filed with the required fee at least one week before the proposed date of meeting.

All applications will be acted upon by the board of directors or its official representative. School buildings or any part of them, however, may not be used for private or individual gain.

MORE THAN 40 OUTSTANDING motorcycle racers from the Pacific Northwest will be lining up at the Lane County Fairgrounds starting gate Sunday at 2 p. m. for the races sponsored by the Eugene Motorcycle Club. Time trials will be at noon. The public will be invited, and no admission will be charged. A collection will be taken by the Junior Chamber of Commerce members, who are assisting with all proceeds benefiting the Children's Hospital School. The Exchange Club will help handle concessions, and Rainbow Girls will also assist. The pictures above show racers lined up at the starting gate for one of the thrilling events. In the other picture, an unidentified racer speeds toward the finish line.

Second Ogden Murder Claims Young Woman

SALT LAKE CITY — (UP) — A youth wearing a sailor uniform was arrested in Salt Lake City Friday as a suspect for an early morning slaying of a pretty young blonde in an Ogden hotel, 40 miles to the north.

Authorities said the name of the victim—Ogden's second young woman to be killed within a month—was not known here. Ogden police declined to discuss the case "yet."

Picked Up Suspect

Salt Lake City police said they were called at 7:35 a. m. to watch for a taxicab carrying the suspect. They were informed that a couple had registered in Ogden's Roosevelt Hotel Thursday night as Mr. and Mrs. Al Goonskill.

Officers said the hotel manager called Ogden police at 6:50 a. m. to say the girl, about 22, had just been found dead — apparently strangled — and the sailor-uniformed youth had only a few minutes before fled through the lobby and hailed a cab.

The cab was located at 7:45 a. m. in front of Salt Lake City's West High School and the youth, answering the description furnished from Ogden, was taken to the police station.

Was Discharged

The youth gave his name as Richard Dix Pack, 23, of Pocatello, Ida. He said he had been discharged from the Navy two years ago but gave no explanation why he still wore his uniform.

Police said Pack's hands were scratched and bloodstained and that he appeared "very bewildered." He was booked "hold for investigation of murder."

On July 21, the naked body of pretty, 17-year-old Shirley Gretzinger was found in a field just south of Ogden. She had answered a call for a baby sitter and been killed. Her slayer has not been caught.

Military Display To Adorn Fair

The largest military exhibit ever assembled on the Pacific Coast in Peacetime will be shown at the Oregon State Fair in Salem, Sept. 5 through 11. Governor Douglas McKay revealed this week.

Governor McKay said that the display would cover 30,000 square feet.

"The information given me is

Register-Guard, Eugene, Ore., Fri., Aug. 19, 1949, Page 1

that this is not only the largest peacetime showing of military equipment ever held on the Coast but that it also is the first in the nation to combine equipment of all branches of the armed services," the governor said.

He has been working on preparations with Robert L. Boardman, Salem chairman and Lt. Col. Mark Rillay, U.S.A., ret., of the military manpower committee; Louis E. Starr of Portland, chairman of the Sixth Army Advisory committee; Leo Spitzbart, state
