

LYONS' Offer Furniture that Sets the Fashion

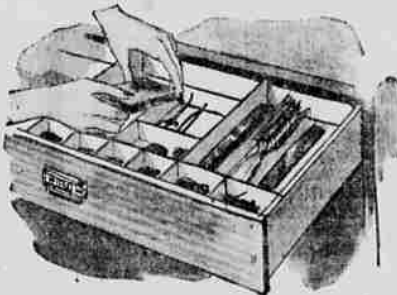

VERSATILE VANITY CHAIR

Hosiery drawer built-in under comfortable chair set of foam rubber.

VANITY ORGANIZER

Sectionalized make-up tray in vanity does away with "drawer clutter."

FLEXIBLE PARTITIONS

Dividers in drawers of both chest and dresser may be moved about to get just the amount of storage space needed for any item of clothing.

EASY-READING BED

Built-in reading lights make for easy bedtime reading.

Newest proof of LYONS' desire to present the latest in modern design in furniture... personally yours. Imagine... your very own initials in trim gold letters on your furniture! And what good-looking furniture—smart, modern pieces styled with the trend-making "tailored look" and fashioned from a beautiful, imported wood, called Alvaro. Each personalized piece is chock-full of special Mengel convenience-plus features, too! There's a built-in hosiery compartment in the foam rubber covered vanity chair... a plastic makeup tray in the vanity drawer... flexible drawer partitions in both chest and dresser... and a reading lamp in the bed headboard for you bedtime bookworms! Plan to see the fashion-setting Mengel MONOGRAM Group exclusively shown at LYONS FURNITURE COMPANY... there are pieces for any room—a honey-hued blonde shade.
