

City Airport Manager Back After Year As Marine Flier

Eugene Airport Manager Earl Snyder, who has been on leave on his post for service with the military, will be back at his office Wednesday to begin a new year. Snyder, who served with the U.S. Marine Corps from 1943 to 45 in various branches of aerial duty, added another year of aviation experience during his latest stint with the Marines. Snyder's trips to jets "I had an opportunity to fly everything from a jet to a blimp," Snyder noted Tuesday, adding, "There is no sensation like jet flying. . . . Eva Peron Plans To Return to Work

BUENOS AIRES — (AP) — Mrs. Eva Peron, wife of Argentina's president, expects to return to her work in the Ministry of Labor and Welfare in February, according to the newspaper La Prensa, now published by the pro-Peron labor unions. Mrs. Peron has been ill since September and underwent surgery on Nov. 6. Her ailment never has been announced, but Dr. George Paek, cancer specialist of New York, was reported to have performed the operation.

STEAMER IS TOWED
SINGAPORE — (AP) — The 7000-ton Panamanian tramp steamer, El Greco, will be towed to Nagasaki, Japan, for repairs to her propeller. The El Greco has been lying disabled in Singapore Roads for the last three weeks. She is carrying 11,300 tons of bulk salt for Japan.

The youthful graduate of Eugene High School ('35) and the University of Oregon ('42) was active in several civic organizations when he entered service. He has made Lane County his home since 1921.

Intelligence Duty
Pollie Snyder, his wife, has been a familiar by-line on airport stories for the Register-Guard. The couple have two children, one year and 3½, and will again make their home at 111 Rt. 3, Blanton Road.

Major portion of Snyder's latest service duty was spent with intelligence units and training squadrons in California.
