

RARE RABBIT BAGGED
SARANAC LAKE, N. Y.—(U.P.)—One of nature's rarities, an all-black snowshoe rabbit, was bagged by Richard Emperor. The rabbit was one of two of its kind shot in this region during the past 10 years.

MORE POWER TO US
FRENCH LICK, Ind.—(U.P.)—A General Electric vice president, Chester H. Lang, predicts that by 1970 Americans will triple the amount of electric power they now use. That would be about a trillion kilowatt hours of power.

UO Exhibit Features Young Israeli Artists

More than 30 paintings, the work of Israeli children, are currently being shown by the school of architecture and allied arts at the University of Oregon.

The exhibit is sponsored and circulated by Children to Palestine, Inc., a Christian-Jewish committee organized in 1943 to aid in the rescue and rehabilitation of Jewish children.

All of the paintings and prints were made by children in Israel between 10 and 15 years of age who lost their parents through Nazi oppression.

Wear Beach Blended Lenses, the bifocal without the dividing line. Available only at the office of Dr. Elliott, Optometrist, 62 W. 10th, Eugene.

'Phone Subscribers Snub Free Music Programs
NEW HAVEN, Conn.—(U.P.)—Telephone subscribers thought they were getting extra service when they picked up their 'phones and heard music. The company explained that a "leak" had developed in a special line set up for music. The trouble was corrected. Most of those who inquired about the "extra service" said they'd rather not have it.
IT'S TOUGH ON PARENTS
EXETER, R. I.—(U.P.)—A parent complained to the school trustee that their children board the local school bus a.m. to be in time for classes.
