

7 Silver Pups In One Litter

Somewhat of a rarity in the canine world was the birth of seven silver cocker spaniel pups in Junction City Thursday.

The pups are identical, and, according to W. M. Swangard, Eugene veterinarian, are "quite rare." Duster Kay is a 3-year-old buff cocker. The sire was also a silver cocker.

Duster Kay, cocker bitch owned by Mrs. R. L. McElroy, 77 Pacific Highway South, Junction City, whelped the litter of perfectly matched pups.

Swangard said that it isn't unusual to find one silver in a litter, but seven at once is quite rare.

The 1951 calendar is out-of-date, yes—but hold onto it, for a moment. Lay it on your desk—and put your Will beside it.

Now think over just a few of the events of 1951. The new tax bill—the rise in living costs—the rearmament program—changes in your family, and your financial set-up.

How does your Will look now? As sound as a year ago—as able to give your family what they need, what you want them to have?

Or is it like the 1951 calendar—out-of-date...? Where Will has its financial aspects—and that's every Will can help. So when you review your Will, call on us!—and of course, your lawyer.

After the potluck dinner the club discussed the idea of buying material for pillowcases, tea-towels, etc., so that the women will have something to work on during the meetings and get ready for the fall bazaar. The buying committee consists of Mrs. Jim Homolka, Mrs. Chet Alexander and Mrs. Phillip Holst.

The next meeting of the club will be at the home of Mrs. Ernest Wasser, Feb. 12.

Tentative plans are being made for a public ham dinner to be given the evening of Valentine's Day, Feb. 14. Prices will be 35c for pre-school children, 85c for those between the ages of six and twelve, and \$1.25 for adults. An evening of cards and dancing will follow with canasta and pinocle being played at 25c per table (for the entire evening). There will be high and low prizes for both men and women. Proceeds will go toward kitchen improvement.

At the next meeting, a team of folk dancers from Oregon College of Education will put on an exhibition of dancing.

Just Measuring

BURLINGTON, Vt.—(U.P.)—For two or three days it looked as though folks were surveying Main Street and a department store pet. They were trying to get the exact distance between Kingman Street and a department store which was offering prizes for the most accurate measurement.
