

### Three Drivers Cited Into Court

Three Collisions  
Bring Citations

Three drivers were cited for failure to yield the right of way after three separate accidents in Eugene Saturday and Sunday.

A citation for failure to yield the right of way to a pedestrian was issued to Richard Dee Milford, 17, of 349 Loretta Way, Eugene, Saturday evening. An auto driven by him was involved in an accident at E. 13th Ave. and Kincaid St. about 8:18 p.m. in which two girls, Donna May Butz and Geraldine Elaine Wolfe, both of Hendricks Hall, were struck as they were in a crosswalk. Both were uninjured.

Floyd Lester Hauntz, 21, of Saginaw, was cited for failure to yield the right of way Sunday evening after his car was involved in an accident with one driven by Archie C. Collett, 57, of 1492 W. 6th Ave. The two autos collided at the corner of Madison and W. 6th Ave. about 5:55 p.m.

A similar accident brought a similar citation to Raymond Ronald Rodgers, 22, of Lund Lane, Eugene, at 4:35 p.m. Sunday. His auto, traveling south on Monroe St. collided with one driven by Carl Daymon Martin, Rt. 4, Eugene, who was driving east on W. 5th Ave.

The Rodgers auto suffered an estimated \$125 damages; Martins' car, about \$35 damages.

### Woman Held On Complaint

WILLAMETTE CITY — Two big automobile-carrying "carry-all" trucks from California were involved with a local passenger car in a highway brush Saturday, at about 10:30 p.m. in Willamette City, which resulted in a "driving under the influence of intoxicating liquor" charge being filed against Rhoda Elizabeth Lloyd of Westfir, driver of the passenger car.

The two truck drivers, James T. Wardwell of Hermosa, Beach, Calif., driver of the first truck which collided with the Lloyd car, and John Earl Evans of Pacoima, Calif., driver of the following truck, both signed the complaint against Mrs. Lloyd.

She was taken directly into Oakridge Justice Court where she pleaded not guilty. Date for trial will be set after conference with the district attorney.

### Farm Meeting At Grange Hall

County Agent W. B. Parker will address a farm meeting Wednesday, at 8 p.m., at the Crow Grange Hall. He will discuss current fertilizer trials which are being conducted in Lane County, and other aspects of fertilizers.

The meeting, one of a series of farm education meetings sponsored by the Agricultural Committee of Crow Grange, is open to anyone who is interested.

### Station Burglarized

WILLAMETTE CITY — Gombert's Service Station here was entered Friday night and nine cartons of cigarettes and two cartons of gum were taken, according to state police who are investigating. This is the second theft from the service station in two weeks; five cartons of cigarettes were taken the first time. Entry in both cases was by breaking the glass in the front door. Wm. Gombert is owner-operator of the station.

### Are You Overweight?

Be Honest with yourself! Are you overweight? Do you have a roll of valuable fat around your waistline? Then it is high time to do something about it! Overweight or obesity is a disease, although few recognize this fact. An excessive storage of fat in the body is not only unlovely and unsightly, but creates definite symptoms. Shortness of breath, tiredness, dizziness, headaches, and heart palpitation are common signs. Physical exercise causes distress and frequently blueness of the skin, and a condition of fatty heart often develops.

"We should eat to live, not live to eat," said Socrates. It is indeed logical not to consume more food than the body requires for normal and best function. If you consume more food than you actually need for the daily expenditure of energy, the balance will be stored and deposited as fat in your body and you will gain weight. In order to keep within the limits of normal body weight, your intake of food should just balance the out-go or expenditure of heat and energy.

Your Health Counsellor, the Chiropractor, can help you reduce weight through natural, safe means. He determines your constitutional type and helps you through adjustments which tend to normalize glandular function and give hygienic advice about normal well-balanced diet.

Improve your health, improve your physical appearance and attractiveness to the opposite sex by restoring your weight to normal. And remember, since it is unpatriotic to waste food, it is unpatriotic to be overweight.

### Earl Britton Named Secretary Of County PMA Committee

EARL BRITTON  
Named Secretary

Earl Britton has been named secretary of the Lane County Production Marketing Administration Committee, Ernest E. Schrenk, county PMA chairman, announced Monday.

Britton replaces both D. W. Cooper, who has been in charge of the PMA office in the Public Market Bldg. as assistant secretary, and O. S. Fletcher, county agent who was secretary for the county PMA committee.

Fletcher resigned this position so Britton could fill both the elected and appointed offices. Fletcher will continue to serve as an ex-officio member of the committee.

Cooper, a lieutenant commander in the Naval Reserves, has been recalled to active duty. He is scheduled to leave this week for the Great Lakes Naval Training Station, near Chicago, Ill.

Britton has a varied background in agricultural administrative work. He served for 11 years with the Extension Service, was instructor of veteran agricultural classes at the Eugene Vocational School for 4 years, was KOAC radio farm director for 1 1/2 years, has served as farm editor for radio station KUGN and currently is farm editor of station KERG.

In his new job, Britton will handle the administrative details of the various PMA programs which provide funds to farmers who cooperate in conservation and marketing projects.

Britton reported that the new handbook on 1952 farm practices is expected to be ready for mailing some time around Feb. 15. It is being held up, he said, because some points need the approval of the state and federal PMA offices.

Britton said the state PMA committee will insist this year that farmers have prior approval before they start any practice for which they intend to seek PMA assistance.

He also announced that the state PMA conference will be held in Gearhart, Feb. 11, 12, and 13. Lane's county committee members and Britton will attend.

### Budget—

(Continued From Page One)

budget a reduced flock of "fair deal" measures, including a fair employment practices commission—anathema to many Southerners—expanded social security benefits and federal aid to schools.

He did not mention two controversial programs he plumped for fully in his last budget—the Brannan plan of farm subsidies and national health insurance.

Overall, national security programs would take 76 cents out of every dollar, the President said—and non-defense spending would be slashed one billion dollars under the current year.

He called for 600 million dollars in appropriations for civilian defense, including construction of bomb shelters, and said continued refusal by Congress to provide it "could be a fatal gap in our security structure."

**Would Add Revenue Men**

Other highlights were proposals to add 7000 agents to the scandal-hit Bureau of Internal Revenue, extend GI benefits to Korean War veterans, increase funds for government-built defense housing more than ten times, boost postal rates by 500 million dollars, and start the long-proposed St. Lawrence Seaway as a "strategic necessity."

The President said without new taxes the national debt would increase to \$274,922,000,000 by June, 1953—just under the present legal limit of 275 billion.

These huge red ink entries are a matter of "grave concern," he said, and Congress ought to realize the risks involved. He said he was forced to abandon his goal of "pay-as-we-go" for the defense program when Congress gave him only a little more than half of the 10 billion in tax increases he sought last year.

**\$14 Billion Increase**

Next fiscal year's spending estimate of \$84,444,000,000 compared with a revised estimate of \$70,881,000,000 for this year, ending June 30, and \$44,633,000,000 actually spent last year.

Despite the increase in spending, Mr. Truman proposed only \$84,260,000,000 in the appropriations from Congress for the next fiscal year, ten billion less than he asked for the current year.

It's the first time in years that new appropriation requests—the only figures that go to Congress for approval—have been less than spending.

This is possible, the President explained, because of a huge unspent backlog of past allocations. Over the past three years, appropriations exceeded actual spending by about 70 billion dollars.

Of the new appropriations, only \$43,577,000,000 would be spent next fiscal year and the remaining \$40,683,000,000 would be carried over to future years.

Unspent appropriations usually represent hard goods—tanks, airplanes, etc.—which will not be delivered and paid for until several years after the money is allocated.

A reduction in new appropriations this year is a sign officials foresee as a reduction in spending several years hence, Mr. Truman said he hoped spending could be cut in the last half of 1954, "if new international tensions do not develop," but outlays will remain at a peak until then.

### Truman Selects Zuckert For AEC Position

WASHINGTON (AP)—President Truman Monday nominated Eugene M. Zuckert, assistant Secretary of the Air Force, to be a member of the Atomic Energy Commission.

Zuckert, a resident of Connecticut, was named to the unexpired term of Sumner T. Pike who resigned recently. The term expires June 30, 1954.

Mr. Truman also nominated Henry S. Villard, State Department career officer, to be minister to Libya.

**ROAD REPORT**

Chains needed on all but valley floor roads. All passes open.

### Grove Youth Held by Police

A 16 year old Cottage Grove boy, Guy LaVelle Bettis, was arrested Sunday and charged with burglary in a dwelling.

State Policeman Jack Winchester, who made the arrest, reported that the boy had entered the Floyd Carr home on Rt. 1, Cottage Grove, three times during the past month. He said roller skates, a camera, a wrist watch, a hunting knife, a radio, a pocket lighter, a waffle iron and several other household items were taken. Most of it was recovered at the time of the arrest, Winchester reported.

According to the officer, the arrests also clear two other thefts. A drag saw motor owned by C. A. Townsend and a .31 calibre Japanese rifle belonging to Frank L. Gierau, both of Rt. 1, were recovered.

### Fast Talker Gyps Clerk

A fast man with a five-dollar bill short-changed a clerk at the Community Market, 1201 W. 11th Ave., Sunday morning, city police reported.

The talkative customer, about 35 years old, asked for a pack of cigarettes and laid a \$5 bill on the counter. When the clerk turned to make change, \$1 replaced the \$5 bill, police reports said. The switch was not noticed until the cigarette buyer left, according to the reports.

### Mary C. Hyland

Mary C. Hyland, 86, of 1354 Charnelton St., died in Eugene Monday, Jan. 21, 1952. Funeral arrangement and complete obituary will be announced by Simon-Lounsbury Mortuary.

### COTTAGE GROVE

David H. Scholl, 72, of Madison Ave. in Cottage Grove was in good condition at Cottage Grove Hospital after amputation of parts of two fingers on his left hand. They were injured when he caught them in a power saw at his home Sunday morning.

Cottage Grove — Clara Spencer of Creswell fractured her left forearm in a fall Saturday afternoon. She was treated at Cottage Grove Hospital and released.

Textile section of Eugene Women's City Club will meet Monday at 7:30 p.m. at the clubhouse. Theme will be planning and painting for the exhibit. Mrs. E. S. Johnson is chairman with Mrs. Don H. McKinstry and Mrs. Elizabeth Romane assisting as hostesses.

The 1951 patron and matron will be honored at the meeting of Blue River Chapter Wednesday at 8 p.m. in McKenzie River Temple. Mrs. Clarence Urey and Mrs. R. L. Robertson are in charge of refreshments.

Eugene Lodge of Perfection (Scottish Rite Masons) will confer the Fifth Degree Tuesday, January 22, 8 p.m. in Masonic Temple, 992 Olive Street. Visiting members are cordially invited.

### Oscar McAtee

Oscar B. McAtee, an Oakridge resident since 1923, died at a Eugene hospital Saturday, Jan. 19, 1952. He was born at Vancouver, Wash., Feb. 3, 1885, and was married to Margaret L. Knoop in 1911. She died last October.

Surviving are six children, Hazel Tiller, Mildred Allen, Mary Jane Sutton, Leroy and Norris, all of Oakridge, and Minnie Robertson of Eugene; three brothers, Clint and Harry of Oakridge and Harvey of Saginaw; 17 grandchildren, and one great-grandchild.

Services will be in Poole-Larsen Chapel Tuesday at 11 a.m. The Rev. Wayne C. Stauffer will officiate, with burial in Rest-Haven.

### Guard Calls Meeting

All members of Company K, Company C and the heavy mortar company of Cottage Grove are asked to attend a meeting at 8 p.m. Monday in the Eugene Armory. The meeting is not an alert, officers said, but merely a temporary change in drill schedules for the National Guard units.

### Truck Overturns

COTTAGE GROVE — Wilbur L. Workman Jr., 28, of 1726 W. Main St., Cottage Grove, received lacerations and bruises when his panel truck skidded and overturned just north of Cottage Grove on Highway 99 Sunday morning. He was treated at Cottage Grove Hospital and released.

### Death Benefits On Tax Bill

Approximately 7,800 widows and children of Pacific Northwest veterans receiving non-service connected death benefits from the Veterans Administration have been mailed annual income questionnaires, Kenneth L. Farner of the Eugene VA Office, 208 Hampton Building, reports.

The questionnaires must be returned to the VA District office in Seattle within 30 days or the pensions may be suspended, Farner said. They should be addressed to the VA District Office, Exchange Building, 821 Second Avenue, Seattle.

Farner pointed out that VA regulations require the annual report in order to re-determine the non-service pension and the 1951 income of the recipients, the recipient's age and the age of the dependent child.
