

# Eisenhower Plans Remain Unknown

WASHINGTON—(AP)—President Truman said Wednesday he does not know when Gen. Eisenhower will end his assignment as Supreme Commander of the Atlantic Pact Forces in Europe.

Truman's statement was in reply to a question at his news conference.

Some Republicans backing Eisenhower for their party's presidential nomination have been publicly asking that he give up the European assignment and return here to campaign.

# Actress Picks Hubby No. 6

HOLLYWOOD, Calif. — (AP)—Gloria Swanson has picked out her sixth husband.

He is Brandon Brent, Miss Swanson's 44-year-old business manager and a one-time society columnist.

Miss Swanson is 53 years old and twice a grandmother.

The actress, who was a screen sensation in silent pictures and came back to win widespread applause in the picture "Sunset Boulevard," played coy when asked about her plans.

"Why don't you wait until it happens," she said, although she admitted Brent popped the question while they were "kidding around." She told him, "who knows, I might."

But Brent said flatly that he and Miss Swanson would be married "within the year."

Miss Swanson's former husbands in chronological order were the late film star Wallace Berry, restaurateur Herbert Somborn, the Marquis Henri de la Falaise de la Coudrye, sportsman Michael Farmer and yachtsman William Davey.

# Marrie Marries British Actor London Hall

SPRINGFIELD — (AP)—Movie Stars Elizabeth Taylor and Michael Wildgen were married shortly before 11 p.m. Thursday in the midtown city hall.

The 28-year-old bride and her 26-year-old groom, arriving separately, slipped almost unnoticed into the Caxton registry hall through a side door but a crowd of hundreds descended upon them when they emerged after the 10-minute ceremony.

Elizabeth radiated happiness as she was jostled by hundreds of fans in the corridors of the hall in Caxton street outside. Only the cooler of the two, recognized friends in the millinery and shouted greetings.

About a dozen persons saw the ceremony, which was the second marriage for both Liz and Michael.

After their escape from the hall, the couple headed off to a room, with champagne.

The place of the reception was kept secret from the crowd. So the time and place of their nuptials on a short honeymoon in France and Switzerland.
