

Accident Claims Filed by 8 Minors

Teen-agers employer industry frequently an accidents on their Labor Commissioner Monday. Dursey said weeks Kimsey that four minors under 18 have filed claims workers' compensa- injuries sustained on of these claims were minors whose employers secured permits for their from the labor de- and were therefore il- employed. One claim in- injury to a 15-year- in a bowling alley. accidents in which three employed 16-year-olds were reported last six months. One working on a log- in Lane County, crushed leg which later removed below the second boy lost an index punch press because of supervision, while a fatally burned in a ga- solvent in a cleaning solvent in a having an open fire.

Other occupations in which minors under 18 are not permitted to work, under the federal child labor regulations, are the operation of elevators and power-driven hoisting apparatus, the driving and helping on motor vehicles, coal mine operations, work in manufacturing plants using explosives and radio-active substances, and the operation of power-driven metal forming, punching and shearing machines. Employers found guilty of hiring minors without work permits are not only liable to penalties under state and federal child labor laws but in the cases of accidents to minors they are assessed part of the compensation paid to the minors for their injuries.
