WHAT CAN THE LEGION DO FOR YOU?

THE LEGION BELONGS TO YOU — THE VETERAN! Any veteran of the United States Armed Forces is eligible for membership.

THE LEGION WILL LEND YOU PRESTIGE — In the ranks of The American Legion today may be found the leaders of all walks of American life.

THE LEGION WILL LEND YOU ITS GOOD NAME — The American Legion commands the highest regard with the general public of any great national organization.

IT IS AN HONOR TO BELONG — It is exclusive. Its membership button is the emblem of tried and tested citizenship. No child can be born into it. No emperor, king or potentate can command admission. No act of Congress or Legislature can qualify one for membership. Neither wealth nor influence can buy a membership.

IT'S A PASSPORT TO FRIENDSHIP — There is no better universal passport to friendship in the United States than a current American Legion membership card. It admits the bearer to any of the thousands of clubhouses of the Legion. No Legionnaire need ever be a stranger away from home.

THE LEGION HAS AN ENVIABLE RECORD OF LEGISLATIVE ACHIEVEMENTS — Since 1919, the American Legion has sponsored a vast structure of federal and state legislation to provide adequate care for disabled veterans and their dependants, war widows and orphans and to protect the rights and readjustment opportunities of all veterans and their families.

WHAT CAN YOU DO FOR THE LEGION?

THE AMERICAN LEGION IS A SERVICE ORGANIZATION — The American Legion has absolutely nothing to offer to the veteran who thinks only of himself. The American Legion believes in serving others. It means something to its members in exact ratio to what they put into it. It can offer you only the opportunity to work hard for those who served with you in the armed forces and were less fortunate than you.

A CHANCE TO FIGHT COMMUNISM — The American Legion has been fighting subversive influences since its birth in 1919. Over the years, it has been the Number One Public Enemy of Communism in the United States. You can join this fight by becoming a member.

COMMUNITY SERVICES — Throughout the nation, American Legion posts are working everywhere to make their communities better places in which to live. Legion posts sponsor such activities as community ambulances and iron lungs, public drinking fountains, swimming pools, playgrounds, parks, travelling libraries, new street signs, free band concerts and many other improvements.

Other services include sponsorship of Boy Scout troops, Junior Legion baseball — the largest amateur athletic program in the world for teen-age boys, Boys' States and Boys' Nations in which teen-age boys gain experience in government, disaster relief, rehabilitation service, medical advisory service, and employment service.

Unity is the source of all strength. The voice of the individual veteran is like a voice crying in the wilderness. It is not heard. But when millions of veterans unite, their voices form a thundering chorus that is heard from one end of the country to the other. That is the power of the American Legion.

All persons named on this page are members of the American Legion. Any eligible veteran who desires information concerning membership in the American Legion may contact any of the sponsors who live in his community. The American Legion, Dept. of Oregon, wishes to thank the persons who made this page possible. We wish the names of all the members of the American Legion could have been listed. Your neighbor is probably a member.
