Constipation Discovery

A new compound recently developed by science, BIOLIN, appears to be the answer to the age-old problem of constipation, colitis, gall bladder and other bowel conditions. This amazing discovery gives relief never before imagined by acting on the liver to increase flow of bile, assisting in digestion of fats and producing gentle, free movements, helping to prevent types of intestinal fermentation (gas) and constipation. Biolin tablets are available at Eugene's headquarters for Raymo wonder drugs, EVERYBODY'S DRUG STORE, 986 Willamette St., Eugene. The price \$1.00. Mail orders postpaid.
