Actress Veronica Lake To Divorce Producer

HOLLYWOOD — (U.P.) —Actress Veronica Lake, who sped to movie fame with blonde tresses eclipsing one eye, will file suit Wednesday for divorce from Andre De Toth, her attorney said Tuesday.

Robert E. Ford said that the couple have reached a financial and property settlement. The tiny actress said she is "sorry it's all over" between her and the broad-shouldered director whom she married in 1944.

Rainbow Falls Hike Planned By Obsidians

Rainbow Falls, on the northern boundary of the Three Sisters Wilderness Area, will be the goal of the Obsidians Sunday.

The trip as planned includes an easy hike on the Louise Creek Trail to the top of the falls, one of the highest and least known falls in the Oregon Cascades, then to the top of the falls and on a mile farther to the source of Louise Creek. The return will be made to Rainbow Falls, then a descent of a thousand feet to the foot of the Cascades.

The hike will afford several excellent scenic viewing points, the Obsidians say.

The Obsidians will leave Eugene City Hall at 8 a.m. DST, and drive up the McKenzie River past McKenzie Bridge, leaving the highway at the Foley Ridge Logging Road. After an eight mile trip on the logging road, the group will debark at Rainbow Vantage Point for the hike, to be led by Karl W. Onthank.

A signup sheet is available at Hendershott's.

Chicago 'Bread Basket' For U. S. Fifth Army

CHICAGO—(U.P.)—Chicago is the "bread basket" of the Fifth Army.

The Fifth Army area includes 13 states in the mid-west and Rocky Mountain states.

About £3 per cent of the foodstuffs used by the Fifth Army comes from the 13 state area but most of it is bought in Chicago. That includes perishable items such as meat, poultry, dairy products and fresh produce. It represents an expenditure of more than $750 million annually.

'Tears of Joy' For Fiancee, Wailer Says

NEW YORK — (AP) —Weeping Crooner Johnnie Ray says he has "only tears of joy" for his fiancee, pretty Marilyn Morrison.

This was Ray's comment Monday as he arrived at La Guardia field on a flight from Cincinnati.

Miss Morrison, 22, daughter of a California night club operator, was there to greet the 25-year-old singer with a kiss.

They are to be married here Sunday.

Ray is a graduate of Franklin High School, Portland.

Kefauver Sees Victory for Self

WASHINGTON — (AP) — Sen. Estes Kefauver of Tennessee has said he won "a great victory" in Washington and Oregon last week in his quest for the Democratic presidential nomination.

Kefauver took issue in an interview with the assertion of Sen. Robert S. Kerr of Oklahoma, another presidential aspirant, that Kefauver had received a "stunning setback" when his forces lost an attempt to win an endorsement from the Washington state Democratic convention Saturday.

"The fact that I won six-to-one over the combined votes of Gov. Adlai E. Stevenson of Illinois and Associate Justice William O. Douglas in Oregon and have the support of more than half of the Washington delegation constitutes a great victory for me and not any setback," Kefauver declared.

An informal poll of the Washington delegation credited Kefauver with 12½ of the state's 22 presidential nominating votes.

Russians Tell Big Fish Story

LONDON—(U.P.)—Moscow Radio has sounded a few loud sneers at the achievements of capitalist fishermen. In Russia, a broadcast said, everybody fishes better.

The big fish story was set off by the return of a Soviet whaling flotilla after seven months in the Antarctic. The Russian fisherman, the broadcast said, had accounted for "great achievements."

"Vasily Tupikov, for example, killed 372 whales. A hero of Socialist Labor, Afansy Purgin, killed 333 and Georry Ofsyannikov, 319," Moscow boasted, adding: "The Norwegian harpooner, Marius Jakobsen, of 20 years standing and the best harpooner in the capitalist countries, has during one season killed only 151 whales.

"His record," Moscow calmly added, "was beaten by all Soviet harpooners."
