IN OUR TOWN—EUGENE

On behalf of the Eugene Elks Lodge 357 and the citizens of Eugene, I, Tom Kiess, Exalted Ruler, extend a hearty welcome to all visiting Elks, dignitaries, and distinguished guests.

I believe that the city of Eugene offers splendid facilities for a convention of this size.

It has been many years since BPOE 357 has played host to an Elks convention and considerable amount of time and effort has been expended to make this a convention to be long remembered and it is my earnest hope that visitors will return to their homes throughout the state with fond memories of their stay in our city.
