Clever Worker Bilks Gullible

WEST VANCOUVER, B. C. — gouging the surfaces of his creations. He likes to fool visitors to his shop.
"Take a look at this centuries-old foot stool," he will say, displaying a month-old stool.
Runge on the stool are realistically worn as if by the sandaled feet of generation of monks.
Artists use brushes today which are believed to be about the same as those used in 3,000 B. C.

SHUT-INS ENTERTAINED
SYRACUSE, N. Y. — A unique club is providing entertainment for the sick and handicapped. By wire recordings the Wire-response Club is supplying members with a varied program. Comments, songs and conversation are recorded and sent to persons in the club.
In desert areas, especially those with very little vegetation, the range of temperature in a single day is usually much greater than in wetter areas.
